Water, Water Everywhere

Campers will dive into seaside adventures and learn about ocean creatures of the deep. They will also get hands-on learning with liquid science experiments. To cool off from the summer heat, a friendly water relay will be held outside.

WEEK 3

Imagination Station

Campers really tap into their brain power by participating in group storytelling sessions as well as dabbling in predictions and engineering projects. Inventions start as wild ideas!

WEEK 4

Crafty Campers

It's time for crazy camp crafts. We let campers express themselves through new experiences such as painting on a real canvas, making jewelry, and so much more.

WEEK 5

A Pirates Life

Ahoy and avast, ye lubbers! Campers can weigh anchor from land as they come aboard Captain Gomer's pirate ship wearing their best pirate garb to help Gomer and his mates find buried treasure.

WEEK 6

It's Hip to be Healthy

This week focuses on health by practicing fun exercise activities and how to fuel the body with proper nutrition. A heathy life is a happy life!

WEEK 7

Messy Mixtures & Experiments

Messy science experiences are the best kind. Our campers will be surprised to find out what goes into homemade play dough, "oobleck," 3D sand painting and more. There will be lots to hypothesize this week.

WEEK 8

Wacky World of Sports

Campers won't want to miss our spin on sports week. Not only will we teach many new games and sports, but we will also teach new and inventive ways to play the games we already know.

WEEK 9

World Travelers

Get your passport ready! Travel by boat, plane and train to see amazing sites all over the world. Explore multicultural customs and taste special foods from far-away places. Make colorful crafts, play global games and dress-up in traditional clothing from across the continents.

WEEK 10

Krazy Kitchen Chemistry

Campers can find out what happens when they put baking soda in vinegar, as we spend a week experimenting with items they can find in their own kitchen. We will create some delicious edibles and some interesting reactions.
