

October 9, 2014,

Dear Valued Business Owner,

**"I have learned so much from Desert Stages Theatre. I used to be so afraid of talking in front of people, but, now acting is my passion! I love it!" - Kasey, age 11**

What is Desert Stages? Desert Stages is a local community theatre that presents not only adult, but children's productions. But it's a whole lot more, as you can see from what our children have to say about it.

Desert Stages is celebrating our twentieth year in Scottsdale. What started out as a vision and dream for Gerry Cullity, has become a way of life for thousands of talented young actors. Scottsdale Desert Stages Theatre is now looking to the future to continue not only Gerry's dream, but the dreams of all who have touched our stage.

**"Desert Stages means confidence, passion, and having a great time!" - Jaquelyn, age 15**

**"Desert Stages means to me LOVE. It's a place where I can go and feel loved by everyone there and I love everyone right back." - Tabitha, age 9**

We hope that you will donate to our 10<sup>th</sup> Annual "Look Into Your Heart Gala: Be Our Guest...a 20 year celebration." The Gala is our primary fundraiser to help continue our valuable art programs. We anticipate over 200 guests to bid on the items you donate. Our goal of \$60,000 can only happen with your help!

The Gala will be held on Saturday, February 28<sup>th</sup>, 2015

**"I have learned about acting and how to audition and how to use a mic from DST." - Jojo, age 8**
