$\qquad$ Period: $\qquad$ Date: $\qquad$
1.1 Exit Ticket: Fill in the blank with an A for always, S for sometimes or N for never.

1. A line $\qquad$ has endpoints.
2. A line and a point $\qquad$ intersect.
3. A plane and a point $\qquad$ intersect.
4. Two planes $\qquad$ intersect in a line.
5. Two points $\qquad$ determine a line.
6. Any three points $\qquad$ determine a plane.
7. Any three points not on the same line $\qquad$ determine a plane.
8. Two lines that are not parallel $\qquad$ intersect.
9. Three planes $\qquad$ intersect.
