

CONTACT LENS AGREEMENT - ESTABLISHED WEARER

Our contact lens program is an essential component of our patients' wellness program.

We are committed to taking the time and effort to fit your contact lenses properly.

Annual Contact Lens Evaluation:

A contact lens prescription is valid for one year as mandated by federal law. In order to update the contact lens prescription, all patients will need a yearly examination. This is to ensure that your eyes are healthy and the contact lenses are fitting well. Contact lens prescriptions cannot be renewed without the annual exam.

IF YOU ARE NOT WEARING CONTACT LENSES TO THIS VISIT, WE CAN STILL CONFIRM THE CURVATURE OF THE EYE AND EVALUATE THE CORNEA, THUS CREATING A CONTACT LENS PRESCRIPTION.

Annual Contact Lens Evaluation Fee: \$75.00

The contact lens evaluation is a stand-alone service. It is separate from the patient exam, testing and/or refraction (which is also a non-covered service) and we do not submit to your health insurance.

If contact lenses need refitting, please see the following prices:

Spherical Re-fit: \$100

Astigmatic (Toric) Re-fit: \$115

Bifocal/Monovision Re-fit: \$130

***Fitting fees include a follow up visit as required up to 1 month. Additional visits will incur a \$50 fee.
