Subject: Rural Housing and Economic Development

Dear Mr. Horwath:

Microbusiness and Housing Development Company, a non-profit housing provider, is pleased to submit its proposal in response to the SuperNOFA regarding the Rural Housing and Economic Development Program.

Last year our agency was awarded \$700,000 in RHED funds to establish a construction load to building housing for low income families in rural Arizona. The contract with HUD was signed in 2006. These monies leveraged other funding for our program. For example, we have received an additional \$500,000 from local organizations and committed it to the project. The first funding allowed us to build 50 housing units for low income families. The need is great in rural Arizona. Although the first award is for three years, we have been able to commit these funds very fast in response to a significant needs in our area. Therefore, we are submitting a second proposal to help us continue the work and other economic development activities.

The availability of Rural Housing and economic development funds has made a tremendous impact on rural areas in Arizona.

Please call me if there are any questions about this proposal. We look forward to hearing from you.

Sincerely,

John Smith
