Financial Policy

This financial policy contains important information about payment for our professional services. It is intended to help us provide the best possible medical care while also controlling administrative costs. It outlines our responsibilities, and those of our patients, with regard to payment for services.

It is the patient's responsibility to make payment at the time of service for all services rendered if it is determined that the patient's insurance policy may NOT cover our services. **If a patient finds that they will be unable to pay in full upon check-in, they will be required to reschedule their appointment.** Payment for professional services may be made by cash, check, Visa, Mastercard, or American Express.

Additional Fees

No Show/Late Cancellation Follow-Up Appointment/Late Arrival (10 Minutes)	\$100.00
Patient Case Management Program	\$15.00 / Month
Accommodation Requests (Extensive)	\$25.00
Returned Check	\$35.00

An adult accompanying a child under 18 and the parent or guardian of the child is responsible for payment according to the terms described above.

You, the patient, have a contract with your insurance carrier. Our services may or may not be covered by your particular policy. It is your responsibility to contact your carrier to determine if these are covered services under your contract ***prior*** to the date of service.

A referral may be required by your insurance company for services to be paid. It is the ***patient's responsibility*** to obtain the required referral for treatment prior to the visit.

Our staff is happy to help with general questions relating to a claim or to provide additional information requested by your insurance carrier in order for the claim to be processed. However, patients should direct questions about coverage for specific procedures to a representative of their insurance company's member services department. The phone number for member services is usually located on the back of the insurance card.

I have read and understand the financial policy as stated.

Case Management

ADHD Medical Clinic of Mobile patients will be charged **\$15 per month** for Case Management. This service is not covered by your insurance policy.

Case Management allows ADHD Medical Clinic of Mobile to...

1. Communicate with patients outside of office visits

ADHD treatment is complicated and there are often questions and problems that come up between visits. We find that email is an efficient way to communicate with your doctor for simple questions and medication adjustments that can often save you an office visit. Unfortunately, this convenience is not covered by insurance companies.

2. Reduce the amount of time you have to spend in our office

Many offices require patients to come in for monthly visits to receive prescription refills. Once a patient is dose optimized, ADHD Medical Clinic of Mobile only requires the patient to have a follow-up appointment once every three to four months in order to receive prescription refills.

3. Keep your out of pocket expenses down

The fee covers many of the behind the scenes costs of managing ADHD in the insurance environment. Many insurers have significant requirements for paperwork to ensure that we maximize your benefits to cover office visits, testing, and medication formulary issues. This helps us keep your out of pocket expenses down.

We believe case management is valuable to our patients and the goal is to save you time and money.

Prescription Refill Policy

1. No Medication is dispensed from our office. You must take your paper prescription to your pharmacy to receive your medication.
2. **Our office requires 24 hours to process refill requests.** It is the patient's responsibility to notify the office in a timely manner when refills are needed. ***Please do not wait until you are out of medication to call.*** You will not receive a call back when the paper prescription is ready.
3. Please do not walk in expecting a paper prescription to be prepared while you wait.
4. Paper prescriptions will not be prepared on Saturdays, Sundays, or Holidays.
5. Paper prescriptions must be picked up by the patient or the patient's parent/guardian unless we are otherwise notified.
6. ***Keeping your scheduled follow-up appointments*** ensures you receive timely refills. If you have not been re-evaluated by the doctor within his requested time period, you may have to be seen for a follow-up visit before receiving prescription refills.
7. Some medications require prior authorization. Depending on your insurance, this process may involve several steps by both your pharmacy and our office. Prior authorizations will be handled as quickly as possible, but do require extra time to be processed.

Office Policies

1. Patients who are unable to pay in full upon arrival will be required to reschedule their appointment. No Exceptions. We accept cash, check, Visa, Mastercard, and American Express.
2. All missed appointments will result in a \$100 no show fee.
3. A total of three missed appointments will result in dismissal from our practice.
4. Appointments must be cancelled 24 hours prior to the appointment time to avoid a \$100 no show fee. Monday appointments must be cancelled by 12 PM on Friday to avoid the fee.
5. Patients arriving more than 10 minutes late will be considered no shows and must reschedule their appointment. A \$100 no show fee will be incurred.
6. All no show fees must be paid before receiving prescription refills and prior to the next appointment.
7. **Appointment reminder calls are made as a courtesy by our office. It is the patient's responsibility to keep up with the appointment date and time. Not receiving a reminder call is not a valid excuse for missing an appointment.**

***Designation for Release of Medical Information to a Family Member, Friend
Or Legal Representative***

It is the physicians' responsibility to ensure that the physician-patient relationship is confidential. The Health Portability and Accountability Act (HIPPA) allows physicians to use their professional judgment on disclosing certain personal health information to family, friends, etc. without an authorization. This form is an aid to the physicians in making a determination on disclosing such information. ADHD Medical Clinic of Mobile realizes that there are times when you, the patient, may want another person to be knowledgeable about your medical condition or medical needs. Your doctor wants you to be able, if you so desire, to name a person to whom you want the office staff to speak with about your medical condition. To enable that, we would ask that you complete the form listed below. Please note the following points:

- the designation is valid until you cancel it in writing
- If you designate no one, ADHD Medical Clinic of Mobile will not release information to any family member or friend or legal representative.

Designation Statement

I, _____, designate the following person to be able to speak to a physician at ADHD Medical Clinic of Mobile, or other staff member, should it be necessary, on my behalf. I hereby give permission to ADHD Medical Clinic of Mobile through its physicians and staff to release to my designee any information about my medical condition or medical needs or the status of my account and I release ADHD Medical Clinic of Mobile, its physicians and staff, from any claim of confidentiality in connections with the release of this information.
