Description of flat/area:	<p>The flat is over three floors with the front door being on the first floor. There are garages and sheds to rent through the council and there are also car spaces throughout the estate. The front room and kitchen are on the first floor. The ground floor has one bedroom which has a door that backs out on to the grass area, toilet and storage room. Second floor has two bedrooms with one leading to a balcony, separate toilet and bathroom. These are spacious flats and are extremely idea for bigger families as the estate has two children's park areas along with a football pitch and a large expanse of grassed area which is maintained regularly. Close by: Queensway, Portobello Road, Harrow Road. Transport: 7, 28, 31, 70 Westbourne Park Station. The owner is elderly and the property needs redecorating</p>	Description of flat/area:	<p>Idea property would be on the ground floor possibly first floor with own front door. Bathroom and toilet in one room would also be beneficial. Having lived in the area of Westminster for over 40 years and is a regular user of Portobello rd, Notting Hill gate, Queensway and Kensington thus needs to be ideally placed in and around these areas.</p>
