Berks County Radio System Subscriber Change Control Form

v1.0

Directions: Submit one form for EACH radio to be added/changed.

Email completed form to berksdes@countyofberks.com.

CAUTION - Radio changes that require ID modifications will result in the radio being unavailable for use once the system change is made, and until the radio is reprogrammed (radio will display SYS REG REF). It is the requestor's responsibility to ensure that alternative communications are available during this time period.
