A band will be held at Fort Collins High School, and a band and an orchestra will be held at Rocky Mountain High School. Students can choose the program that is most convenient for them. We hope that students who will be playing in band and orchestra in the fall will be able to participate in order to continue to grow during the summer months. If you have any questions regarding equipment needed for the summer classes, please contact the director at the school you will attend in the fall.

*A limited number of scholarships are available for students with financial considerations. Contact your current music director for more information.
