

AIR FORCE ASSOCIATION – SIJAN CHAPTER

2014 Scholarship Application

The Lance P. Sijan Chapter annually sponsors scholarships awarded to outstanding high school seniors who have been accepted for enrollment at a college or university, and to current outstanding freshman, sophomore and junior college students. High School applicants must be high school seniors/graduates who plan to attend college during the 2014-15 academic year. Students selected for full scholarships that will be awarded in 2014, or have been selected to attend a Military Service Academy, are not eligible. Likewise, applications will only be accepted from students who themselves or their parent(s) are current members of the Air Force Association (membership numbers provided in the application will be verified by the Scholarship Selection Committee prior to scoring the application).

The Lance P. Sijan Chapter Scholarships are awarded based on the overall character and leadership potential of the student, which includes academic achievement, demonstrated leadership, community service, and writing composition. A Scholarship Selection Committee, comprised of aerospace industry leaders, will score all applications and select the scholarship recipients. The scholarship selection process is nondiscriminatory and Scholarship Committee members' immediate family members are not eligible for a scholarship award nor can they benefit financially in any way from this program. There is no specified restriction on the use of scholarship award moneys; however, it is the intent of the Sijan Chapter that they be utilized in the direct support of academic pursuits.

Complete application packages must include the following (only complete packages will be considered):

- Application form (completely filled out). Applicants must use the application form from the Lance P. Sijan Chapter website at <http://www.afasijan.com> to apply for a 2014 scholarship. This one form will be used for all scholarships.
- A certified transcript of your high school or college grades.
- A copy of your SAT and/or ACT scores (high school seniors only).
- At least one letter of recommendation from a current or past teacher of the applicant. (Up to three letters of recommendation may be included with the application.)
- An essay of no more than 1200 words and no less than 1000 words that answers the following question:

Why is aerospace education critical in today's environment? Discuss some of the ways in which you feel you could contribute to this important field of study.
