SPRING BREAK

This is a reminder that school will be closed for two weeks for Spring Break. Students will have their well-deserved rest beginning on March 14th and returning to school on Tuesday, March 29th.

VANCOUVER AQUARIUM'S AQUAVAN COMING TO ANNIEVILLE!

Thanks to the Annieville PAC's fundraising efforts, the Vancouver Aquarium's AquaVan will be coming to Annieville on Tuesday, March 29, 2016. The AquaVan program is designed to inspire the stewardship of all aquatic habitats and encourage the discovery of connections between animals, environments and ourselves. All AquaVan programs supplement the B.C. school curriculum guidelines for K-7. AquaVan Educators deliver award-winning aquatic programs, featuring live animals, artifacts and activities in schools and communities throughout Western Canada. All of our students will have the opportunity to take part! We are all looking forward to the visit! Thank you Annieville PAC!

DELTA PARKS & RECREATION HOOP SHOOT

Delta Parks, Recreation and Culture hosted an annual Hoop Shoot Event at Seaquam on Wednesday, March 9, 2016. Participating students in Grades 5, 6 and 7 were organized into teams consisting of three

players, who each raced against time to sink as many baskets as possible within 45 seconds. The teams with the highest cumulative score from each grade attended the finals.

Congratulations to all of our finalists:

Gr. 5 Girls: Macy H., Kaley R., Sophie C.

Gr. 5 Boys: Evan B., Gregory P., Adrian P.

Gr. 6 Girls: Hayley L., Alexa L., Emma W.

Gr. 6 Boys: Taebyn B., Jordan B., Bryce M.

Gr. 7 Girls: Emma T., Madison N., Madison P.

Gr. 7 Boys: Mason U., Sean B., Evan R.

Special recognition goes to the Gr. 7 Girls' Team and the Gr. 7 Boys' Team, for winning their divisions! Also, Annieville had the highest percentage of students participating in the preliminary event held at the school, and will receive a special

recognition plaque. Way to go, Sea Hawks!

Thanks to our volunteer coaches and sponsors: Ms. Beuerlein, Mrs. Goodale, Mrs. Gregory, Mrs. Shields and Ms. Graham!

BASKETBALL TEAMS

Another season of Grade 7 girls' and Grade 7 boys' basketball is over. Our teams have played with lots of energy, enthusiasm, sportsmanship and improving skills. Thank you to the coaches and assistants who volunteered to work with the teams: Ms. Beuerlein, Ms. Graham, Ms. Keval, and UBC teacher candidate, Ms. Narwan. Special thanks to Ms. Ramsay for supporting the teams by organizing the parent rides to away games, and distributing and collecting team shirts on game days. We appreciate the dedication, time and expertise that all of our volunteers shared with our teams before school and after school.

JUMP ROPE FOR HEART FUNDRAISER

A representative for the B.C. Heart and Stroke Foundation kicked off our *Jump Rope for Heart* fundraiser at a school wide assembly. The Jump Rope for Heart campaign encourages students to get active by skipping rope while they collect pledges for heart disease and stroke research. This event was sponsored by Ms. Beuerlein and held in PE classes on Thursday, February 25th, as a way to get our students involved in prolonged cardio activities, build school spirit and raise funds for a very worthy cause. Kudos to student, Josie M., who raised \$600 of the approximate total of \$2,800 collected by the Annieville student population! Thank you so much for all your support! ☺

TERM 2 REPORT CARDS

Students have now completed the second term of this school year. Second term report cards were sent home on Thursday, March 10, 2016. Please keep all the inserts and return the signed envelope to the school. When looking at your child's report card, it is important to take some time to read the report card comments with your child. Celebrate your child's successes! Ask questions such as: What do you think your best achievement this term was? What did you enjoy the most? What do you hope to learn next? Ask your child what area they would like to make an improvement in, and together develop a plan to reach that goal. Encourage your child to strive to achieve their personal best!

PINK SHIRT DAY

On Wednesday, February 24rd, students were encouraged to wear pink to school to demonstrate their understanding and support of the Pink Shirt campaign, supporting acceptance and kindness. At our Pink Day assembly, students watched a short video explaining the origin of *Pink Shirt Day*. Students were also reminded about the importance of acting in a respectful, kind way towards others. Special thanks to Mrs. Jenner's students for sharing their ideas of how to *step up* to make a difference. Also, thank you to our Grade 7 volunteers, who assisted the entire assembly to follow the dance moves to the music "You're a Superstar," along with the Giants' Hockey Team's flash mob video! Well done!

PARENTS ADVISORY COUNCIL (PAC) MEETING

The next PAC meeting will be held tonight - **Monday, April 25th** at 6:30 p.m. in the library. All are welcome!

COMMUNITY NEWS

Spring Quest 2016: Spring Break Youth Activities

Delta Youth Activities Programs strive to provide: high-quality camps for young people aged 7 to 17 that are rich in learning, fun, personal development, and social interaction; with professionally-instructed courses led by certified teachers or highly-qualified instructors with a strong background in a particular subject area. A range of week-long courses are offered during Spring Break. View available courses online at: <https://onlineca.activecommunities.com/connectandlearn/Start/Start.asp>

COMMUNITY NEWS

Become a Maker this spring break

Laser cutting, 3-D printing, virtual architectural design – these are just some of the skills that kids and youth in Delta are eagerly learning through the Delta School District’s MakerLabs. And this spring break, Maker Camps are being offered in both North Delta and South Delta. At the Spring Break Maker Camps, kids aged 8 to 12 will build a turtle robot, learn about drawing and sketching, 3D design and 3D printing, laser cutting, electronics, metal works and more. Participants will make a 3D printed figurine of themselves. For youth aged 13 to 17, they will learn geometry and trigonometry while building and programming a robotic arm. They will also learn about laser cutting, 3D printing, electronics, the Internet of Things, and will have the option to design a wearable tech clothing item.

The Delta School District created its first Marker Lab in Ladner at the Delta Manor Education Centre last summer. Now, a brand new Maker Lab has just opening at North Delta Secondary School. The Spring Break Maker Camps will be taking place at both locations. For more information and to register please visit: <https://deltalearns.ca/makerlab/maker-camps/>
