

MAPEP REQUEST FOR PE SAMPLE

By submitting this MAPEP application and receiving samples, you, the Customer, accepts title and ownership of the MAPEP sample and becomes the generator of any resulting waste or sample residues. Customer further agrees that because products, technical data, and technical assistance provided to Customer by RESL may be subject to U.S. export control laws and regulations, the export or re-export of certain products, technical data, and services may be prohibited or restricted. Customer acknowledges that they are responsible for their own compliance with U.S. export control laws and regulations, and assumes all liability for the failure to do so.
