SUBSCRIPTION INFORMATION

The Job Information Lists are published four times during the academic year--in October, December, February, and April. All issues provide information about four-year colleges and universities; the February issue contains supplementary two-year college listings. The cost of a subscription in the U.S. and Canada is \$30.00 and \$40.00 outside the U.S. or Canada. The Lists are sent by first-class mail to subscribers in the U.S. and Canada, and by airmail to all other areas; they should be received shortly after the publication dates listed below. Please note, however, that these are projected dates only and are subject to change without notice.

October issue	16 October 1986
December issue	19 November 1986
February issue	13 February 1987
April issue	15 April 1987

Further inquiries should be directed to Roy Chustek, Coordinator, Job Information Service, 10 Astor Place, New York, NY 10003.

IN THIS ISSUE

The December issue contains notices describing 381 definite and possible positions. Because a notice appearing in the October issue is not repeated in December, readers should not infer that it is no longer available. Departments are not encouraged to repeat listings. The only reliable guide to application is to check the deadline reported in the original notice or an updated announcement in this List.

GUIDE FOR USING THE JOB INFORMATION LIST

U.S. and Canadian Departments (pp 1-17)

The main body of the List, arranged in alphabetical order by state (and for Canada, by province), contains information on definite or possible vacancies, comments on notices published in past issues (e.g., that a previously published position has been filled), and notices from departments that expect no vacancies but would nevertheless like to keep vitae on file.

Read through this section item by item to see which departments would welcome your letter of application or inquiry at this time. Send letters only to departments expressing an interest in a person with your qualifications. If a notice states that no vacancies are expected but that the department would like to maintain a file of prospective candidates, you must decide in each case whether it is worthwhile to write.

In your letter of application, it is probably wise to express a willingness to be interviewed at the department's convenience. Professional meetings (such as MLA; see below) provide a convenient opportunity for such interviews.

Comparative Literature, Linguistics, and ESL Sections (pp. 18-19)

Notices in these fields have been separated out from the main body of the issue and placed under the appropriate heading, with occasional cross-referencing to items in the main body of the List. Candidates should read through the main body carefully, however, since the cross-referencing is not exhaustive.

Additional Entries (pp. 20-24)

The "Additional Entries" section consists primarily of notices that arrived after the main body of the List went to press, but in time to be included in an appendix. The section also contains notices of nonacademic positions, overseas opportunities, fellowships and grants, as well as openings in private secondary schools, when such information is supplied.

Departments Reporting No Vacancies

A listing of these departments appears in the October and February issues.

MLA ANNUAL CONVENTION

The Annual Convention of the Modern Language Association will be held in New York, 27-30 December 1986. The Job Information Center will be located in the Sheraton Exhibit Center, Lower Lobby, Sheraton Centre for both English and foreign languages. The following services will be provided:

- (1) Interviewer's Sign-In Desk. Departmental administrators or representatives who plan to hold job interviews during the Convention, whether in their own hotel rooms or in the Interview Area of the Job Information Center, should sign in (name, institution, hotel, and room number) at the main desk in the Job Information Center so that candidates with whom they have been in correspondence regarding interviews will be able to locate them. Although an interviewer's name may appear in Who's Where, it is often impossible for candidates to get through the busy hotel switchboards for room information. A brief stop at the sign-in desk by a thoughtful interviewer can save much confusion and worry for a candidate who has received a letter saying "I want to interview you. Get in touch with me at the Convention." If supplied with a list of candidates with whom the department has scheduled interviews, the MLA staff will release room information only to these people.

- (2) Counseling Service. The Job Information Center Counseling Service affords job seekers the opportunity to discuss individual employment problems with experienced department administrators. While counselors cannot help candidates obtain interviews, they can and will offer objective, concrete advice on such matters as the appropriate content and presentation of vitae and letters of application, the kinds of institutions to which candidates might most profitably apply, and realistic approaches to job interviews. Counselors will be on hand at the Center to speak with interested candidates from 10:00 a.m. until 5:00 p.m. on the 28th and 29th of December, and from 10:00 a.m. until noon on the 30th. Appointments can be arranged through the staff member on duty in the Interview Area of the Job Center. Counseling on non-academic careers is also planned. Counselors are Ph.D.'s who have successfully made the transition to business and other fields. The demand for this service at previous conventions has been high, however, and the number of counselors is limited.

- (3) Interview Areas. For the convenience of department representatives and candidates, there will be an interview area for English and foreign languages within the Job Center. Interviewers who wish to use this area should schedule their own interviews either by letter before the Convention or by leaving messages at the Message Center. Table assignments in the Interview Area, which will be open from 12:00 noon until 8:00 p.m. on the 27th, from 9:00 a.m. until 8:00 p.m. on the 28th and 29th, and from 9:00 a.m. until noon on the 30th, will be given to departmental representatives on a first come, first served basis. An MLA staff member will be on duty in the area to assist interviewers and candidates.
- (4) Vacancy Notices. A list of job openings received too late to be included in the December Job Information List will be posted on bulletin boards in the Job Center. Departmental representatives who have last-minute vacancies should submit detailed descriptions of these to an MLA staff member in the Center, who will see that they are retyped on a large-type typewriter and posted on the boards. All such notices will also appear in the February Job Information List so that candidates who do not attend the Convention will have an opportunity to apply.
- (5) Message Centers. Open from 12:00 noon until 8:00 p.m. on the 27th, from 9:00 a.m. until 8:00 p.m. on the 28th and 29th, and from 9:00 a.m. until noon on the 30th, the Message Centers will help candidates and interviewers who have corresponded before the Convention to establish specific interview times and places. The Message Centers will not be useful to those who leave messages at random for persons who may not even be in attendance at the Convention. Such messages are not picked up and serve only to defeat the purpose of the Centers.

While every effort will be made to assist candidates and interviewers in the Job Information Center, it should be noted that the MLA does not have the facilities for introducing candidates and interviewers who have not corresponded prior to the Convention.

THERE IS VERY LITTLE OPEN INTERVIEWING AT THE CONVENTION. JOB CANDIDATES WHO DO NOT HAVE PREARRANGED INTERVIEWS SHOULD NOT PLAN TO ATTEND FOR THE SOLE PURPOSE OF SEEKING EMPLOYMENT.

Job candidates, departmental administrators, and representatives who wish to use the facilities of the Job Information Center must be registered for the Convention.

MEETINGS OF INTEREST TO JOB CANDIDATES AT THE MLA CONVENTION

Richard Irish Job Clinic. Friday, 26 December, 4:00 p.m. Embassy Suite, Sheraton Centre. Continues 27 December; concludes 28 December, 12:00 noon. Separate fee and registration required.

NOTICE ON TENURE POLICIES

The Modern Language Association recommends that department administrators and their representatives inform candidates before or during the interview about the prospects for tenure in the specific position under consideration and about the tenure policies and practices in their departments and institutions. If the information is not offered, candidates are urged to inquire about these policies.

ACKNOWLEDGEMENT OF APPLICATIONS

Acting on a recommendation from the MLA Delegate Assembly, the MLA Executive Council has adopted a policy calling for departments to acknowledge all applications for announced positions either by letter or by self-addressed postcards provided by applicants.

<p>JOB CLINIC AT NEW YORK CONVENTION Another in the successful series of job clinics for MLA members interested in exploring employment outside the academy will be held at the 1986 convention in New York. The clinic will again be conducted by Richard K. Irish, the career counselor and author (<u>Go Hire Yourself an Employer</u>). Participant reaction to the previous job clinics has been enthusiastic. "I feel more confident and a lot more optimistic about a whole world of alternatives out there," wrote one participant at the 1985 clinic. "Wonderful assessment features--I know where I'm going now, although I didn't before," wrote another. A third participant commented that "Mr. Irish is inspirational. He brings an outstanding competence in his field and broad but detailed knowledge of a variety of job possibilities in the private sector to the job clinic." The job clinic will help participants learn to identify career options and marketable skills, prepare effective resumes, locate jobs, and improve their interviewing skills. The clinic is especially recommended for those assessing whether to seek non-academic professional careers. Some participants have used the clinic to explore second-income sources, while others have found help in improving their networking, interviewing and salary negotiation skills within academia, including those seeking careers in higher education administration. The clinic will consist of five sessions that begin at 4:00 p.m. on Friday, 26 December, and conclude at noon on Sunday 28 December. There should be minimal conflict with other convention sessions. One hour individual counseling sessions with Irish will be scheduled for workshop participants throughout the convention. The cost of the clinic is \$170. Since there is room for only thirty participants, those interested should write for further details to the Job Information Service at MLA headquarters as soon as possible.</p>	<p>EASTERN CONNECTICUT SU ENGLISH WILLIMANTIC, CT 06226-2295 <u>Asst.
