“Have you told a yard duty teacher?”

A question we are forever asking students when they come in from play. All too often students come in from play with issues that could and should have been dealt with outside. It is very difficult for teachers to deal with yard issues once the children come back inside as it interferes with learning time and can be difficult to track down the instigator if children don't know their name.

There are three yard duty teachers spread across the school at all times and students need to find one of them immediately should conflict arise. If students are coming home with issues from the yard, please reinforce this important step in keeping themselves and our school yard safe!

2015 PCS CHRISTMAS CONCERT

Dear Parents/Guardian's,

As you are well aware, Christmas is fast approaching. Each grade will be involved in the PCS Christmas concert, which will be held on **Wednesday the 9th of December**. During your child's Performing Art's lessons, we are focusing a small amount of time into learning the routine which is to be performed at the concert in December. Further information notices about this event will be sent home at a later date.

If you do not wish your child to participate due to religious reasons, please sign the form below and return it to their classroom teacher.

If you have requested for your child not to participate in the Christmas item, there will be other Performing Arts activities for them to do in their specialist time. If you have any questions please do not hesitate to call me at the school on 5941 1511.

Kind Regards,

Kate McCurdy
