

YSGOL BRO TAWE PARENTAL CONSENT FOR LOCAL AND/OR LOW RISK VISITS

Through the risk assessment process the following activities which are undertaken on a regular basis have been designated as low risk.

1. Walking visits to Maesydderwen School (*including swimming lessons at Maesydderwen Pool*).
2. Walking to local chapels and churches.
3. Educational visits to local amenities i.e. shops, supermarkets, post offices and cafes etc.
4. Walks to local Parks.

I would be grateful if you could complete this consent form and return it to school. For any off-site activity covered by this consent parents/guardians will be informed each time they are to occur and if at that time parents wish they have the right to withdraw this general consent. Any visit that, following a risk assessment does not fall into the low risk category will be the subject of an individual and specific parental consent form.

Yours Faithfully
