## OSHA's Form 301 **Injury and Illness Incident Report**

Attention: This form contains information relating to employee health and must be used in a manner that protects the confidentiality of employees to the extent possible while the information is being used for occupational safety and health purposes.

Form approved OMB no. 1218-0176

| This Injury and Illness Incident Report is one of the  |
|--|
| first forms you must fill out when a recordable work-  |
| related injury or illness has occurred. Together with  |
| the Log of Work-Related Injuries and Illnesses and the |
| accompanying Summary, these forms help the             |
| employer and OSHA develop a picture of the extent      |
| and severity of work-related incidents.                |

Within 7 calendar days after you receive information that a recordable work-related injury or illness has occurred, you must fill out this form or an equivalent. Some state workers' compensation, insurance, or other reports may be acceptable substitutes. To be considered an equivalent form, any substitute must contain all the information asked for on this form.

According to Public Law 91-596 and 29 CFR 1904, OSHA's recordkeeping rule, you must keep this form on file for 5 years following the year to which it pertains.

If you need additional copies of this form, you may photocopy and use as many as you need.
