

The Glen Gonsalves Memorial Scholarship

\$1000

The Gonsalves Family has established this scholarship to honor and remember Glen Joseph Gonsalves, an SHS student who passed away in his Junior year, on October 15, 2005. This scholarship is supported by the Gonsalves family, friends and several organizations at the Solon High School.

Glen was an all-round, high-achieving student at SHS. He was an avid football and baseball fan, keen soccer and tennis player, and most of all enjoyed being with his friends and family. Throughout his nineteen month illness, Glen continued to take an interest in school and sports. When he could no longer play sports, he watched them. When he could no longer watch sports, he listened to them. He always strove to do his best, and took an interest in events around him regardless of the circumstances he was confronted with.

The recipient of this scholarship will be a student who has demonstrated courage and a will to perform at school, academically and in at least one extra-curricular activity. This performance will have been achieved despite difficult circumstances – financial, personal, physical or emotional. The student should exhibit determination and perseverance, qualities that always remained in Glen.

Deadline for scholarship applications is March 18th, 2011
