Keywords	Present in journal? Yes	KEYWORDS: keyword; keyword; keyword
Correspondence details	Correspondence: A. N. Other, Department of Plant Sciences, University Hospital, Vellore 632004, India. Tel: 91 416 2232035. Fax: 91 416 2232034. E-mail: agchacko@cmvellore.ac.in	
Editorial	<b>EDITORIAL</b>  Otherwise, title, author and affiliations as normal	
Headings	(A) <b>Bold, cap for first word, spaces above and below</b>  (B) <i>Italic, cap for first word only, spaces above and below</i>  (C) <i>Italic, cap for first word only, space above, followed by full point. Text runs on</i>	
Paragraphs	Indented	
Tables	Cited as Tale 1 Legend: Table I. This is a table legend, justified unless less than one line when it is centred with a final full point. Format: Roman column headings are set between to full span rules and positioned to the lower of these. Any main column heading which goes over two or more sub-headings should be centred over these using a strap rule. The table content is then set between the lower of the top rules and a base rule. Any footnote material is set under the base rule justified with a final full point. Elements of the footnote should run on.	

	Table footers to run-on [full point]	
Figures	Cited as “Figure 1” Legend: Figure 1. This is a figure legend, justified unless less than one line when it is centred [full point] Appearance, centred on page	
Displayed quotations	Displayed quote indented with full point at end. Source follows on from quotes in parentheses	
Equations	Cited as equation 1 Centred $A + b + c + d = x^2$ (1)	
Acknowledgements	To go before Notes	
Biographical notes on contributors	Present in journal? No	
Footnotes	No footnotes, use end Notes	
Endnotes	To follow Acknowledgements  Notes 1. This is a note. 2. This is another note.	
Spelling preferences	British English but with –ize endings	
Abbreviations	Add any editorial preferences here	
Punctuation	Add any editorial preferences here	
Dashes	Use spaced en rules
