There is a 2 month escrow payment required at registration. This escrow will be applied to the last two months of your swimmer's program. The second swimmer will receive a 15% discount, the third a 20% discount, and the fourth a 30% discount. The payment schedule above does not include the non-refundable \$100.00 registration fee per swimmer. Meet entry fees, lodging, transportation and other meet costs are not included in program fees and are billed separately. We do not have a fundraising requirement but do offer ways to help the Gators and minimize your own costs (i.e. 50/50 raffle, Kroger cares, business sponsorships). However, we do require a time commitment for the Competitive, Junior, Senior, and National programs. Throughout the season you will be required to give the team a minimum of 5 hours, you can opt out of this time requirement with a \$100.00 payment. These hours can be in the form of timing at meet, officiating, working event parties, swim-a-thon setup/takedown, committee chair members, etc. All hours need to be logged and approved by the Volunteer chair, Laura Strickler.

Meet Fees and Other Costs

I understand that participation in meets is encouraged but is NOT required, except for the National Program where meet participation is mandatory. If I choose to allow my child to participate in meets, there are additional fees that are not included in the total amount due. Each swimmer at a meet is charged an entry fee based on the number of events entered, as well as a meet surcharge fee for participation. I understand that these costs will be passed on to me in my bill and I agree to pay them. I understand that I will also be responsible for individual travel costs, a share of team travel costs (if my swimmer(s) participate in team travel), coaching fees, and a share of coach travel expenses.

Initials:

Changing Programs

I understand that the Virginia Gators coaching staff may choose to move my child to a different level program based on his/her swimming ability. My child will receive two trial weeks in the new level program without any change to my fees. If I choose to allow my child to continue at the new level, I will be required to complete a modification to this agreement, adjusting the fees for the new level program.

Initials:

Delinquent Accounts

If I owe any amount to the team, I will receive a monthly billing statement detailing the amount owed. Payment is due in full no later than the first (1st) day of the month following receipt of the bill. Fees not paid by the fifth (5th) day of the month will be subject to a \$25.00 late fee. Any swimmer whose fees are more than two months in arrears will not be allowed to participate in the program until accounts are made current.

Fostering a Safe & Healthy Environment

USA Swimming and the Virginia Gators strive to continually improve the programs and services we offer to our members. Some of the most important relate to the safeguards for protecting young athletes. In effort to continue to foster a safe and positive environment, we believe it is especially important to provide parents and adult club leaders with policies and best practice guidelines that help define elements of appropriate behavior and conduct.

All parents must review the following documents at registration, or at either our Gator website (www.virginiagators.org, look for "Safe Sport") or at www.usaswimming.org

Swimming is a labor intensive sport and our team is dependent on parental support for continued success. We ask that families with swimmers in the Competitive, Junior, Senior, and National programs fulfill a minimum Volunteer Obligation of at least 5 hours per year. This does not include "Bubble Up" in September, or "Bubble Down" in May when ALL families are expected to pitch in. The swim year runs from September through May and there are plenty of ways to earn hours. Take a look at the list below, and indicate how you can help!
