Dear Parents: Your Views and Opinions Are Important to Spring Hill ES!

In March of this year, a random sampling of *Spring Hill Elementary School* parents will receive a Parent Opinion Survey in the mail. This survey is part of my Performance Assessment and Evaluation as a principal in FCPS and it offers you an opportunity to provide anonymous input about various issues related to my performance as principal of Spring Hill ES. These issues include safety, parent involvement, curriculum, communications, and expectations for student achievement and behavior.

I am told that the survey will arrive in the mail sometime in early March 2012 and will be returned directly to the Fairfax County Public Schools' Office of Student Testing for processing. If you receive a copy of the Parent Opinion Survey, please take a few minutes to complete and return the survey. Your opinions matter.

Best regards,

Roger Vanderhye, Principal

Please Share the Love of Books for Valentine's Day!

Please join Mrs. Lee's class in sharing "the love of books" by reaching out to those who are in need and may not have someone thinking of them on Valentine's Day. Mrs. Lee's class is asking all fourth graders to consider donating a **new, age-appropriate book** that would be given to a needy school in the DC area. If your child is not in fourth grade but would like to participate, anyone is welcome to donate! Currently, Spring Hill is working with several schools that are in need of books for their libraries or classrooms and may accept our donations.

Here are the particulars: It's easy -- just select a new book to donate and Mrs. Lee's class will take care of the rest! **Children can drop off any donations in Mrs. Lee's class, room 209, from Monday, February 6th through Friday, February 10th.** There will be a drop-off box located just inside her classroom door. All genres and reading levels (K-6th grade) are wonderful! Class representatives plan to deliver the donations in the afternoon of the 13th, so they would be available to the recipients on Valentine's Day. For any questions, please feel free contacting Susan Schlegel at susan.schlegel@gmail.com.

Colonial Days Includes the Outdoor Classrooms and Help is Needed

Fourth grade's Colonial Day is Friday, February 10 and we need at least four volunteers to man the new station: Colonial Herb seed starting. The station will include a newspaper flowerpot making table, a soil and seed planting table and a historical connection table. There will be a morning and an afternoon session. If you are interested in helping, please contact PTO Outdoor Classroom chairpersons Jen Trainor hattrick4jen@verizon.net or Teri Bennett at teribennett@verizon.net Training will be provided before each session.

The seedlings will be sprouted in the science lab and then grown in new portable green houses to be assembled in Nature's Hideout courtyard outdoor classroom. They will then be transplanted to the raised beds as the weather permits. Harvesting will be done by June, with tea making or sachet making!

Spring Hill 2nd Graders are almost trained for... The Great Backyard Bird Count!

The Great Backyard Bird Count (or GBBC) takes place over four days in February each year. This year is February 17 – 20, 2012.

It's very easy!

Watch and count birds in your yard, a nearby park, or maybe at your school. Report what you saw by entering your bird list online.

By doing this, we learn what kind of birds are being seen in the winter and whether there are more or fewer of them than before. Learn more about how to participate.

You'll have more fun if you learn more about birds.

How to do the Great Backyard Bird Count IT'S AS EASY AS 1, 2, 3!

- 1. Plan to count birds for at least 15 minutes on one or more days of the count.** You can count each day or just some of the days and you can count in different places. Just be sure to keep a separate list of birds for each day and each location.
- 2. For each type of bird you see, count the most you see at any one time.** For example, maybe you see two chickadees when you start watching, then five chickadees a few minutes later. The number you put on your list for chickadees is five. Do **not** add two plus five. (This way you don't accidentally count the same bird twice.)
- 3. Enter your results on the Great Backyard Bird Count web site!** Then watch the maps as more and more people enter their reports.

That's it! Now get ready to participate in the Great Backyard Bird Count because when it comes to watching birds, ***kids count!***
