For those product manufacturer companies interested in having the opportunity to participate in the strategy and public policy direction of the association, the Board of Directors has established the Premier level of membership.

Premier Members pay flat dues of \$125,000 a year. This membership tier is extended as an invitation of the Board of Directors Nominating Committee. Companies may express their interest to Suzie Squier, senior vice president of marketing and membership, at suzie.squier@rila.org in order to provide information to the Nominating Committee.

Dues payments to trade associations, such as RILA, are generally deductible as an ordinary business expense for federal income tax purposes. However, under the Omnibus Budget Reconciliation Act of 1993, such income tax deduction is denied for the portion of your dues attributable to expenses incurred for the purpose of lobbying or intervening in an election. RILA estimates that 65% of your dues will be attributable to lobbying expenses. Therefore, 65% of these dues are non-deductible for federal income tax purposes.
