REGISTRATION DEADLINE  
FEBRUARY 14, 2014

# 8th Annual Fire Hose Race!

## Children's Hospital Colorado Burn Camps Program!

The Burn Camps Program was created in 1983 to meet the psychological and rehabilitation needs of children and families following burn injuries. After a burn injury, a child can anticipate meticulous reconstructive surgeries and on-going physical and occupational therapy. The Burn Camps Program has grown into a series of camp programs that meet these needs by providing challenging activities and creating opportunities to form lasting friendships and mentorships.

### Event Description!

- The Fire Hose Race consists of 30+ teams of 5 spaced skiers along a 50' fire hose while working as a team to maneuver through a 15 gate slalom course. Race teams may include both skiers and snow boarders.
- Along with carrying the hose, each team member is required to wear a bunker coat and a fire helmet.
- Each team will complete 2 runs and the fastest single run time will win the event and will be awarded the traveling Fire Hose Race Trophy to display until the following years event!

- **Awards, Food & Raffle! – 4:00**
  - \* Traveling Trophy will be awarded for the Fastest Race Time of the Day!
  - \* 1st, 2nd and 3rd place teams will be awarded!
  - \* You don't want to miss out on the Raffles! Lots of great stuff to be given out!
  - \* You must be present to win!

## Penalties & Disqualification!

If any member of the team hits finish fencing it will result in a **1 MINUTE penalty!**

Take a gate out – when one or both poles of the gate come out of the ground after contact by that team or a team member = **add 20 SECONDS!**

Letting go of the hose – each time a team member lets go of the fire hose with both hands **5 SECONDS** added for each occurrence – Course Timers, Starters and Maintainers should be able to spot this!

If any team member or a team misses a gate **the team will be disqualified!**

**The team will be disqualified!** If the entire team does not cross the finish with all team members holding the fire hose – team members don't have to be upright to cross the finish line as in some cases, team members are dragged over the finish line after falling.

**Thank you for Supporting & Sponsoring the 8<sup>th</sup> Annual Fire Hose Race!**
