IN MEMORY OF CHUCK NORWOOD

Chuck Norwood was the consummate servant leader. From the mid-1980s until his death, Chuck served the Union County Community Shelter in many roles, including chairman of the board of directors.

But he was very much a hands-on volunteer, working as an overnight supervisor and meal service volunteer. Chuck visited the shelter weekly, checking on unmet needs and talking

with residents.

He led us through extensive facility renovations and expansion of services for the homeless and hungry.

Chuck set the gold standard for volunteering, and we feel

honored to have shared his friendship and passion for helping others.

The Union County Community Shelter provides emergency shelter, hot meals, case management and rapid rehousing services to our local community.

Last year, 214 adult men and 78 women stayed a combined 9,866 nights in the Shelter, where we served 46,418 meals to 2,089 individuals. We assisted 67 families with 170 children in our emergency family housing program and moved 90 households, including 34 families, from homelessness into independent housing.

The Shelter is a non-profit organization operating in downtown Monroe. We invite you to visit our facility and see how your participation can change lives.
