

**KETTLE MORAINÉ BOY'S SUMMER BASKETBALL
CAMP SERIES 2016**

Note from Coach Bestor:

This summer we are going to continue our approach to getting the boys in our district more skilled and more confident with their basketball skills. We are hosting three separate camps over the summer, but we look at each of these as serving the singular purpose of improving the players in our program. I strongly encourage your child to attend all three camps if their age allows them to do so. Our staff and players are eager to work with your future Laser! All grades are based on the 2015-2016 school year. All camps are held at KM High School.
