ALL TYPES OF EVENTS CATERED FOR

WEDDINGS

Every bride and groom has an image of their perfect day. Our aim is to help you achieve that very personal ambition. Let us take the stress of all the details whilst you relax with your guests and enjoy your big day.

CHRISTMAS AND NEW YEAR

What better present could you wish for than for someone to take care of every detail of the most important party of the year?

PRIVATE FUNCTIONS

If your company has something to announce or celebrate, we can help organise a special event with all our customary care and attention to detail.

FAMILY CELEBRATIONS

Our attractive restaurants and private dining rooms can accommodate your birthday, naming ceremony or anniversary celebration in style. We can also arrange the entertainment from a clown to a DJ, a disco to a tribute band.

TRIBUTE NIGHTS

Our popular tribute nights are the perfect night out to have fun with friends and family. We have a fantastic line up of acts throughout the year, so simply book your seats, sit back, and enjoy the evening including food, drink and live entertainment.

THEME NIGHTS

Treat yourself to any of our theme nights that we hold throughout the year – or choose your own and let us turn your idea into reality.

TEAM BUILDING

When you want to think outside the box, swap the formal meeting room for an outdoor activity such as paint-balling, hiking or water sports. We can arrange a host of events depending on your location.
