Awareness Cambodia's Monthly Partnership Program

hopegiver is Awareness Cambodia's regular giving program. As a regular giver you are assisting Awareness Cambodia to effectively ensure the long term sustainability of our life-changing community projects.

ABOUT AWARENESS CAMBODIA

Your monthly giving will benefit the Cambodian community in 3 main areas; health services, education and childhood development programmes. We are dedicated to breaking the cycles of poverty, abuse, illiteracy, poor health and neglect. Your monthly giving will provide education and much needed health services which will help create generational change.

Awareness Cambodia's holistic approach to ending the slavery that poverty brings, is seeing a growing number of orphaned children taking up university degrees in fields such as civil engineering, design, architecture, accountancy, tourism, English literature, business and economics.

By becoming a monthly **hopegiver** you will:

- 3 times a year receive stories and photographs in our tri annual newsletter.
- Have regular donations automatically deducted from your credit card.
- Receive only one receipt at the end of the financial year.
- Each January receive an overview of all that was achieved and the types of programs that your donation supports.
