

"Shadow's Kids" Scholarship Fund Donation Form

When a horse that is as special as Shadow enters our lives, and has a profound impact on us, many want to pay tribute to him when he leaves. To honor Shadow, one young man, 11 year old Billy T, decided to start a Scholarship Fund for Disadvantaged Kids to be able to go to Horse Camp. Shadow had touched his life deeply and he wanted to pay it forward for other kids to have the chance to know and love horses.

If you would like to contribute to this Fund, any amount can be accepted. Many kids may want to donate a small amount of their own to help their grieving process. At this time, we are not a qualified organization to receive Tax Deductible contributions, but we will carefully keep these donated funds separate for this express, intended purpose.
