I have reviewed the Health/Life Skills course outline and/or Education Code sections 51240 and 51550. I request a waiver for my son/daughter from the five unit course for the reason(s) indicated below.

- Excuse from Health Instruction and Family Life and Sex Education due to religious beliefs or personal moral convictions per Education Code 51240
- Sex Education Course Waiver per Education Code 51938
- The Health/Life Skills course is inconsistent with the educational goals of my son/daughter per Board Policy 6146.1

I declare that the above information is true and is the basis for this claim of exemption from the Health/Life Skills course for my son/daughter.

Education Code 51240-Excuse from health, family life, and sex education instruction due to religious beliefs

Whenever any part of the instruction in health, family life education, and sex education conflicts with the religious training and beliefs of the parent or guardian of any pupil, the pupil on written request of the parent or guardian, shall be excused from the part of the training which conflicts with such religious training and beliefs.

As used in this section, "religious training and beliefs" includes personal moral convictions.

Education Code 51938-Sex education courses

A parent or guardian of a pupil has the right to excuse their child from all or part of comprehensive sexual health education, HIV/AIDS prevention education, and assessments related to that education, as follows:

(a) At the beginning of each school year, or, for a pupil who enrolls in a school after the beginning of the school year, at the time of that pupil's enrollment, each school district shall notify the parent or guardian of each pupil about instruction in comprehensive sexual health education and HIV/AIDS prevention education and research on pupil health behaviors and risks planned for the coming year. The notice shall do all of the following:

(1) Advise the parent or guardian that written and audiovisual educational materials used in comprehensive sexual health education and HIV/AIDS prevention education are available for inspection.

(2) Advise the parent or guardian whether the comprehensive sexual health education or HIV/AIDS prevention education will be taught by school district personnel or by outside consultants. A school district may provide comprehensive sexual health education or HIV/AIDS prevention education, to be taught by outside consultants, and may hold an assembly to deliver comprehensive sexual health education or HIV/AIDS prevention

education by guest speakers, but if it elects to provide comprehensive sexual health education or HIV/AIDS prevention education in either of these manners, the notice shall include the date of the instruction, the name of the organization or affiliation of each guest speaker, and information stating the right of the parent or guardian to request a copy of this section, Section 51933, and Section 51934. If arrangements for this instruction are made after the beginning of the school year, notice shall be made by mail or another commonly used method of notification, no fewer than 14 days before the instruction is delivered.

(3) Include information explaining the parent's or guardian's right to request a copy of this chapter.

(4) Advise the parent or guardian that the parent or guardian may request in writing that his or her child not receive comprehensive sexual health education or HIV/AIDS prevention education.

(b) Notwithstanding Section 51513, anonymous, voluntary, and confidential research and evaluation tools to measure pupils' health behaviors and risks, including tests, questionnaires, and surveys containing age-appropriate questions about the pupil's attitudes concerning or practices relating to sex may be administered to any pupil in grades 7 to 12, inclusive, if the parent or guardian is notified in writing that this test, questionnaire, or survey is to be administered and the pupil's parent or guardian is given the opportunity to review the test, questionnaire, or survey and to request in writing that his or her child not participate.

(c) The use of outside consultants or guest speakers as described in paragraph (2) of subdivision (a) is within the discretion of the school district.

Board Policy 5126, Section I

Health/Life Skills shall be met during grades 9-11, subject to waiver conditions, which shall be established by the Superintendent through administrative regulation 5126 h.
