

How to Order Your Central Vacuum System - Terms & Conditions

This Quotation is valid for 30 days from date of issue

We require 7 working days notice and written confirmation to process your order.
Please complete and return the enclosed order form by fax or post.

Invoicing

On receipt of your order a pro-forma invoice will be issued to cover the total cost of the materials.

Payment of Materials

For supply only, the total amount must be paid in full for goods to be handed over.
Cheques should be made payable to "Paragon Systems (Scotland) Limited"
Supply & Installation = 50% payable on completion of 1st Fix; Remainder on Completion.

Vat on New Private Dwellings

When Paragon Systems supply & install the central vacuum system in a **new** private dwelling and the owner invoiced, this can be zero rated.
Tools are charged at current VAT rate.

Drawings

On acceptance of the quotation for a supply only, drawings will be returned duly over marked with the recommended/suggested location of the power unit and inlet positions.

Installation by Paragon Systems Includes:

One Visit to 1st Fix Installation of the Pipework (around 1st fix of plumber/electrician before ground floor flooring is laid)
Second Visit to complete inlets and test power unit. Demonstrate on Use, Care & Maintenance to Customer if Available.

Installation by Paragon Systems Excludes:

13-amp socket by power unit - note 13Amp Power Point not to be spurred.
Any trenching of pipework from Garage to House
Any builder work.

Guarantees

The Power Unit is guaranteed against manufacturing defect - excludes excessive wear and tear.
Tools are guaranteed for 1 year against manufacturing defect.

Call Out Charges

Should a call out be deemed necessary - the above guarantee applies to all relevant equipment supplied by Paragon Systems.
Should the fault to be found to be of a building nature and not the fault of the cvs installation, the fault to be advised to the contractor/customer. Paragon Systems shall duly raise an invoice for time travel and/or equipment required.
