Address _____

City, State, Zip _____

Graphing Calculators

In accordance with the New York State Learning Standards for Math, West Seneca Central Schools and its teachers are committed to the idea that students be equipped with a Graphing Calculator in the classroom, at home and for use during tests and exams. We are specifically recommending the Texas Instruments model TI-84 PLUS.

Most classrooms contain sets of these calculators for use in the classroom. However, homework will be assigned where the calculator will be needed. Therefore, parents are urged to provide students with TI-84 PLUS calculators for use at home. We encourage parents and students to leave these calculators at home and **not** to bring them to school to avoid foreseeable problems. To help ease the burden of purchasing the \$90 - \$110 machine, West Senior has made a four year commitment to these calculators. This calculator will last throughout the students' four years here at West Senior. In addition, we are asking parents to submit the UPC symbol to their teachers so that we may purchase additional classroom models for students.

The New York State Board of Education states that these calculators are required for the Integrated Algebra, Geometry and Algebra2/trig exams.

Please feel free to contact Ms. Colleen Meszaros, Math Department Chairperson at 677-3801 ext 4321.

WEST SENECA WEST SPORTS BOOSTERS

(a non-profit incorporated organization)

PLEASE JOIN OUR ORGANIZATION AND
HELP US TO HELP THE STUDENT ATHLETES
AT WEST SENECA WEST HIGH SCHOOL

The Sports Boosters awarded \$5000 in scholarships last year and they provide a great service to the school community. Some past Booster projects include the completion of the sand volleyball pits, the new dugouts for the baseball team and money grants to the cross county, lacrosse, football, soccer and swim teams.

A \$5 DONATION gives you membership.

Applications are available on the West Senior website (www.wscschools.org) under the Sports Booster heading OR

Join us at the new student orientation at West Senior On August 23rd. Come out and join the fun !!

OPENING SCHOOL SUPPLIES "START UP PACK"

Please have your child bring the following items to school on the first day of classes:

1(One-inch) Three Ring Notebook

4 to 6 File Dividers

1 Pack of Loose-Leaf 3 Ring Paper

Ruler

Pens, Pencils, Compass

3 to 4 folders

Strongly Recommended:

Texas Instruments Graphing Calculator TI-84 PLUS for home use

Students will receive a list of supplies for their specific classes during the first few days of school. With 100 courses and over 90 teachers, it is impossible for us to identify specific supplies for each student prior to the beginning of school. The above supplies will be sufficient for the first 8 days of school.
