St Matthew's Concert Choir

St Matthew's Choir was founded in 1981 and performs a wide variety of repertoire from the great works of the past to exciting 20th Century pieces. In the last few years our concerts have included works by Bach, Mozart, Brahms, Handel, Rossini and Tchaikovsky, as well as Carl Orff, Rutter and Karl Jenkins, with full orchestral accompaniment.

Why not join us?

If you are already a regular singer or have enjoyed singing in the past, and can read a vocal score, come and join us. We are a hard-working but friendly choir, rehearsing weekly in Ealing on Thursday evenings and giving three or four concerts a year. See our website for details, or speak to any member of the choir after the concert.
