Dear Business Owner or Donations Manager:

It is always a pleasure to write to friends and businesses that support education. I am writing on behalf of Building Blocks Cooperative Preschool to encourage you to become a sponsor of The Building Blocks Carnival 2016.

The Building Blocks Carnival is the largest fundraising event for Building Blocks Preschool, one of the few preschools available in the Los Gatos/Santa Cruz Mountains. This event will draw several hundred mountain families and is a great way to promote your business as well as support our local schools. All proceeds will go towards funding our early childhood educational programs, which include scholarships for families in need.

Building Blocks Cooperative Preschool was founded over 20 years ago, and is operated as a program of the Loma Prieta Community Foundation (a 501(c)3 nonprofit corporation). At our school, families share in the preschool experience, gaining valuable parenting skills and developing a parental support group. Together, we can help maintain this program and meet the needs of children in our community.

The Building Blocks Carnival will take place on **Saturday, April 30, 2016**. The event includes a BBQ dinner at Maison du Lac on Summit Road, including a treasure hunt around the property, entertainment for the kids, and a silent auction. Last year's event was an unbelievable success and we expect to sell out this year. This is sure to be a great family event that you won't want to miss!

Your donation of cash, prize items, or food & beverages is tax deductible through the Building Blocks Fund of the Loma Prieta Community Foundation. Donations must be sent by **March 30, 2016**. As a supporter, your business will be recognized in print and on our website, before, during and after the Carnival. This is a wonderful marketing opportunity to reach out to new customers in the areas around Scotts Valley, Los Gatos, and the Santa Cruz Mountains. You can also visit our website for additional information regarding the event, as well as sponsorship details, online donations, or volunteering opportunities. Please feel free to contact me if you have any questions. Your support is truly appreciated!

Gratefully,

Nichole Giamona
