Shipping Instructions

Questions? askcharlesriver@crl.com www.criver.com/info/dx

Sample Specifications:

Samples should be shipped overnight on ice packs. Please use appropriate shipping materials and never use glass containers.

Sample Submission:

Place a copy of page 1 in the appropriate shipping container with your samples. Please follow International Air Transport Association (IATA) guidelines.

Charles River provides IATA-compliant sample shipping materials free of charge. Simply contact Charles River Customer Support (North America: 1.877.274.8371, International: +800.3195.3430) to request materials for diagnostic testing. Alternatively, you may order shipping materials via our website at www.criver.com/info/quotes.

Submit your samples to Charles River :
