

Instructions for Small Business Plan of Reorganization Form

BACKGROUND AND GENERAL INSTRUCTIONS

1. This small business chapter 11 plan of reorganization form is promulgated pursuant to § 433 of the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005. It may be used in cases where the debtor (whether an individual or an artificial entity) is a small business debtor under § 101(51D) of the Code. This form is intended to be used in conjunction with the small business chapter 11 disclosure statement form (Official Form 25B). Because the type of debtor and the details of the proposed plan will vary from case to case, this form is intended to provide an illustrative format, rather than a specific prescription for the language or content of a plan in any particular case.
2. Some language in this form appears in brackets. The bracketed language sometimes instructs the plan's proponent to provide certain information and sometimes provides optional or alternative language that should be used when and where appropriate. Proponents should make the necessary insertions and/or delete inapplicable language.

SPECIFIC INSTRUCTIONS

SUMMARY

3. The first article should provide a summary of the debtor's proposed plan. It should describe the manner in which the plan will be consummated and the source of funds for payments to be made under the plan. These sources might include an infusion of capital, loan proceeds, sale of assets, cash flow from operations, or future income. The summary should also describe the treatment of the various classes of claimants under the plan.

CLASSIFICATION OF CLAIMS AND INTERESTS

4. The second article describes each class of claimants that will receive a distribution under the plan. The first class consists of claimants entitled to priority pursuant to § 507 of the Code other than those entitled to priority under § 507(a)(2), (3), or (8). The next class or group of classes consists of creditor(s) with allowed secured claims. Secured creditors are usually classified individually, with each secured creditor being placed in its own separate class. Classes of secured creditors should be added as necessary. Next, unsecured claimants, not entitled to priority, should be classified. The proponent may, to the extent allowed by law, create additional classes of unsecured claims, including an administrative convenience class pursuant to

§1122(b) of the Code. The last class consists of equity security holders of the debtor. If the debtor is an individual, this class consists of the interests of the individual Debtor in property of the estate.

TREATMENT OF ADMINISTRATIVE EXPENSE CLAIMS, U.S. TRUSTEES FEES, AND PRIORITY TAX CLAIMS

5. The treatment of certain claims, such as administrative expense claims, allowed under § 503 of the Code, and priority tax claims, allowed under §507(a)(8) of the Code, is statutorily specified. These claims are not, therefore, placed into classes. Their treatment is described in the third article.

TREATMENT OF CLAIMS AND INTERESTS UNDER THE PLAN

6. The fourth article specifies the treatment accorded the various classes of claims and interests provided for under the plan.
7. Priority claimants other than those allowed under §§ 503 and 507(a)(8) must be classified and paid in full under the plan unless the claimant agrees otherwise.
8. Each secured creditor is generally placed in its own class, with a particular treatment specified for that class. Section 1129(a)(9)(D) of the Code provides that a secured tax claim which would otherwise meet the description of a priority tax claim under § 507(a)(8) of the Code is to be paid in the same manner and over the same period as prescribed in § 507(a)(8).
9. The plan should describe the treatment of the general unsecured claims. An administrative convenience class may be created pursuant to § 1122(b) of the Code, and other classes of unsecured claims may be created to the extent permitted by applicable law.
10. Finally, the plan should describe the treatment of equity securities.

ALLOWANCE AND DISALLOWANCE OF CLAIMS

11. The fifth article addresses the treatment of disputed claims. A “disputed claim” is a claim that has not been allowed or disallowed. No distribution will be made on account of a disputed claim unless such claim is allowed. The debtor will have the power and authority to settle and compromise a disputed claim with court approval and compliance with Rule 9019.

PROVISIONS FOR EXECUTORY CONTRACTS AND UNEXPIRED LEASES

12. The sixth article deals with executory contracts and unexpired leases. The plan proponent should list all executory contracts and unexpired leases that it has already assumed, or which it intends to assume under the plan. All other executory contracts will be deemed rejected.
13. The seventh article describes how the plan will be implemented. It should

indicate the source of any funds that will be used to pay claims and interests under the plan, and it should also list the persons who will be serving as the management of the debtor after the plan is confirmed.

GENERAL PROVISIONS

14. The eighth article provides certain general provisions. Definitions from the Code are incorporated by reference, and any other definitions required by the plan should be listed in section 7.01 of the plan. If a governing law clause is desired, it should be included here, and if the debtor is a corporation, provisions required by §1123(a)(6) of the Code should be included.

DISCHARGE

15. The ninth article describes the effect of discharge under the plan. When and whether the debtor is entitled to a discharge will depend, among other things, upon whether the debtor is an individual, partnership, or corporation, and whether the debtor is continuing in business after consummation of the plan. The proponent should choose the appropriate language from the options provided.

OTHER PROVISIONS

16. To the extent that other provisions, not provided in the plan, are desired, they should be placed in the tenth article.
