Instructions on ordering extra Hank items

Students can order Hank the Cowdog books and other items at the discounted prices listed on this order form. The schools can send the order forms home with the kids. Please have the checks made out to the school or your classroom.

Then, the school just needs to send us a summary order form with the total number ordered for each item (you keep the individual forms). You can fax the form to us at 806.435.2410 or email (hank1@ptsi.net) it to us. We will send one bill with each class or school's total due and then the school can send us one check for the total amount

Shipping on orders that total over \$80 will be free. On orders less than \$80, we will have to charge \$6 for shipping and handling.

Mr. Erickson will autograph all of the books. We will do our best to get the books to you before the day of the program. However, it will depend on how soon before the program we receive the order. And, when we are able to catch Mr. Erickson in town to sign books. We will certainly get them to you as soon as possible.

If you have any questions, you can email Janee at our office at hank1@ptsi.net or call her at 806.435.7611. We hope your kids enjoy the Hank program and enjoy reading Hank's adventures.

Thank you,
Gary Rinker
