Gift Certificate Program

Goal: To stimulate and increase the local economy by providing gift certificates, which can be used at area participating Chamber businesses. Through this program we keep business local and increase purchases made within the Chamber membership. This program makes it easier to give a gift or employee incentive/recognition, also..

Objective: Offer gift certificates for sale, which can be purchased by anyone and redeemed locally only at participating Chamber member businesses.

How It Works:

- Certificates shall be purchased through our Chamber Office.
- Payment must be received at time of purchase or order.
- Certificates shall be redeemed at Chamber businesses. (A list of participating members will be provided with each certificate.) Membership must be maintained in order to accept gift certificates.
- In accordance with RI law, certificates have no expiration date listed on them.

Protection Features:

- The gift certificate is identified by a preassigned number and imprinted with our official Chamber seal.
- The Chamber assumes no responsibility for lost, stolen or counterfeit certificates and issues no duplicates.

Redemption and Cashing Procedure:

- The person redeeming the certificate endorses it just like a check. Ask for identification, like when cashing a check – if applicable
- Change back is based on individual store policy
- Return redeemed gift certificates to the Chamber office for reimbursement.
- Payments for redeemed certificates will be issued within 10 business days.

Yes, my business/company will accept gift certificates for redemption
