KPMG Federal Budget breakfast debrief

Specifically for the Next Generation

Family Business
Australia

FBA's Next Gen Committee and KPMG are pleased to invite you to our 2012 'Next Gen Federal Budget Breakfast'.

This session is a fantastic opportunity for you to join likeminded Next Geners in a roundtable setting, to hear relevant detail on the 2012 Federal Budget and join a facilitated discussion in an informal setting.

The breakfast is will commence with a general analysis of the Federal Budget and will cover specific areas including:

- *Impact on the Australia economy and business environment;*
- *Business and personal taxation;*
- *and Other "surprise" announcements by the Federal Government.*

The informal setting of the session allows great opportunity for you to ask questions about the budget and learn how the changes might specifically impact you and your family business.
