METHOD OF ADJUDICATION

AAMTC modeling and talent competitions are NOT BEAUTY CONTESTS; however, good grooming and overall appearance will be taken into consideration. Modeling will be judged on: 1) Posture & Body Alignment; 2) Walk & Movements; 3) Interpretation of Garment; 4) Presentation; 5) Composition of Routine. Talent will be judged on: 1) Appearance; 2) Composition of Routine; 3) Variety & Difficulty; 4) Execution; 5) Presentation. Only in the "Cameo Girl Pageant" competition will physical beauty and appearance be taken into consideration.

RULES & REGULATIONS

Models choose their own garments. Props and accessories may be used; however, they must be small enough to be carried during the presentation. Modeling will be executed to the Official AAMTC MODELING MUSIC which allows approximately 1 min/15 sec for each presentation. All garment categories will be "runway modeling" and the participant will be expected to show proper entrance and exit, a basic pivot or other turn and the necessary detailing and interpretation of the garment. Smoothness, flow (fluid motion), showmanship and sales ability are all important attributes for a good model. A minimum of 5 participants must be entered in an age division for both Modeling and for Talent or that age division in either Modeling or Talent may be cancelled.

MODELING PROCEDURE

AAMTC is "free style" and there is no set modeling pattern. The only requirement is that participants begin their modeling presentations at the first "X" (stage right) and that they reach the final position, the last "X" (stage left) before the end of the final harp sweep. The official AAMTC Runway/Modeling Music is available on cassette tape at a nominal cost for practice at home before competitions. If you are not familiar with the music, DON'T WORRY! During the Saturday evening orientation session participants will have the opportunity to practice their modeling with the official music!
