Junior Competition Information & Conditions

1. A condition of entry is that Parents/Guardians must be available to be a Team Manager
2. Arriving at the Venue.
 - (a) All players must be at the venue at least 15 minutes before the starting time.
 - (b) Players should make their own way to venues or might be able to organise a lift with a team member.
 - (c) Teams can organise their own transport roster if they wish.
3. Parent's Responsibilities
 - (a) Ensure players arrive early for matches.
 - (b) Support but don't get involved in your child's sport.
 - (c) Make sure the scorecard is filled out correctly, signed and handed into one of the junior co-ordinators at the completion of play.
 - (d) Make sure the scorebook is in the hands of someone that is playing next week, or arrange for the book to be picked up from the Pro Shop.
4. Wet Weather. Don't assume it is a washout. Ring your Team Manager, the Junior Co-Ordinator, assistant co-ordinator or your Venue. Otherwise you have to turn up.
5. Emergencies. Emergency Co-coordinator - Therese Sakamoto 0402-327-690

Some teams may consist of only four players. This means that you have a commitment to play each and every week without fail or excuses. The other team members are relying on your weekly attendance. If for some extraordinary reason, you can't play, contact your team manager as the earliest possible moment. In all fairness, try to give as much notice as possible. DON'T RING UP ON FRIDAY EVENING, as this may not allow time to find a replacement.
6. Be Reliable. If just one player does not turn up on time, it affects 7 other players (our team and the opposition) and it reflects poorly on the club.
7. If you have been rostered off for the week, you must make yourself available to fill in for another team that may be short.
8. Tennis Attire.
 - (a) Girls and boys must wear correct tennis clothing. No Surf Gear allowed. Casual attire is not acceptable.
 - (b) Flat-soled Tennis Shoes must be worn - no ripple soles, jogging shoes, cross trainers or basketball boots.
 - (c) Some clubs will not let you on their courts unless you are dressed in the correct attire, and wear the correct footwear. In that case your team suffers, as you may have to forfeit your matches.
9. Players should not leave immediately after they finish their matches. They should stay to support their teammates until all matches are finished. This is a common courtesy.
10. Membership and joining fees must be paid before the first match of the season. All clubs are not allowed to play people who are not members. The penalty is a loss of the match and a fine to the club.
11. Read your Rulebook and fixture book. A list of rules are available from the PTA website www.pta.org.au
12. Conduct & Behavior.

As a representative of the Frankston Tennis club, your behavior is expected to be exemplary. Breaches of the PTA Code of Conduct (see notice board) will not be tolerated and are liable to disciplinary action by both Frankston Tennis club & the Peninsula Tennis Association.
13. After teams have been submitted to the PTA for grading, no correspondence will be entered into with regard to team selection.
