Sun City Singers

April Concert Tickets On Sale Now!

"The Sun City Singers" will present their third annual spring concert, "Thanks For The Memories." This year's show will be at a new location, Pleasant Grove Community Church, on Thursday, April 18, with two performances, 2:00 PM and 7:00 PM. Pleasant Grove Community Church will comfortably seat 600 at each performance. Tickets go on sale March 1st, and cost \$7.00.

Jim Postak, who joined the chorus as music director in September, 1998, will again direct the chorus accompanied by Jan Percy, pianist. Georgia Vournas, Chairperson of this year's spring concert committee, recently talked with Jim about the upcoming show:

Q: Jim, this will be the 3rd Annual Spring Concert by the Sun City Singers under your direction. What can you tell us about this year's show?

A: This year's show will feature not only songs from various musical periods but also some of my favorite contemporary arrangers like Kirby Shaw, Robert Emerson and Ed Lojeski. You will hear

Please see SINGERS on page 35.

Board Of Directors Column

Ellis Teel, Treasurer, Board of Directors

Your Turn!

In a few weeks it will again be "your turn" to help your SCRCA Board of Directors determine what programs should be included in the budget starting July 1. You have a right to expect that you will be given this opportunity and the Board has a right to expect you will attend and participate in this process.

Many of you are probably not aware that a number of our committees and staff members have been working on the 2002-03 Budget since early last fall.

The Strategic Plan Update Committee has reviewed the findings in last year's Task Force report and has recommended the preparation of a Building Master Plan as well as recommending a number of other projects. (For more information on the other recommendations of the update committee, please refer to the article by Board member Dick Conzelmann in last month's "Courier".)

Members of the Golf Advisory Committee were appointed several weeks ago. As many of you know, the Committee was formed this fall to address deficiencies in the playability and maintenance of our Sun City Roseville Golf Course. Later in the budget process, specific monetary requests will be recommended to bring about the changes needed. This course is our most important asset, contributing directly to the property values of all our members.

Serious concerns regarding the care and condition of landscaping along the main traffic corridors and other parts of the common area have been reported by our Landscape Subcommittee and individual members. A pilot program is already underway along Sun City Boulevard. This project will take some time to complete because the irrigation system must be fully functional before additional plantings can take place.

The Finance Committee has been working with our new Investment Advisor to ensure that the Association is fully invested in securities providing both safety of principal and the highest interest within that constraint. Subcommittees of this standing committee have been meeting with Board representatives on drafting Budget Objectives for Board review, modification and approval. These objectives will be used to guide the Executive Director and his staff in key areas in the budget development process.

In addition to these three areas of special need, the Executive Director and his staff have been developing data regarding the money required to fund our current program of activities and events that make Sun City Roseville such a special place to live.

Departmental Budget Reviews with the Finance Committee have been scheduled as detailed below. Please note that each meeting will commence at 1:00 PM. All members of our Association are welcome to attend and are encouraged to express their views at the time reserved for resident comments.

Executive Director's Corner

By William Petchauer, CMCA, Executive Director, Sun City Roseville Community Association

The Activities Department works hard to provide numerous trips and events that represent the "active adult lifestyle" that residents moved here to enjoy. Mike Aguilar, the Director of Activities, explains in the article below a few of the new activities in the coming months that residents have to look forward to.

As Activities Director one of my main goals is to develop and provide residents of Sun City with a number of new activities to participate in. I encourage residents to enjoy their well-deserved retirement by taking a day trip that the Activities Department has to offer, giving you an opportunity to meet other fellow residents you may have not met before. Some examples of

continued on the next page

continued from the preceding page

new activities that we have to offer in the coming months include the following:

Our 3½ hour "Golden Sunset Wildflower Train" trip on April 4 has a little of everything, a flower expert on board the train identifying the miles and miles of different wildflowers, a delicious sit down lunch on board the train, and following the train trip a docent led tour of Oakdale's museum and Knights Landing (one of the longest covered bridges in the U.S.).

If that does not interest you how about the April 22 "Safari-West" trip that was featured in the March 2001 Sunset magazine as a must see day trip. Take a tour of the 400 acre Preserve that has over 350 exotic animals and birds including a pair of cheetahs that are not even a year old yet. Learn about the animals through a docent and then enjoy a delicious sit down lunch following your tour of the Preserve. You will not find a safari tour of this caliber unless you take a trip to Africa.

As far as local trips, visit the Designer Showcase House on April 23 for a fun afternoon. This 8000 square foot house was designed by some of the best designers in Northern California. Following your tour, lunch will be catered on site by the very successful gourmet restaurant "The Kitchen" known for spoiling their customers with excellent food and service!

Some new theatre and opera trips coming include: C.S.U.S. The-

Food & Beverage Comments

By Steve Bryant, Food & Beverage Director, Sun City Roseville Community Association

The first week in March we are introducing our new breakfast, lunch and dinner menus with several new menu ideas that we feel will add to the food program in the Timbers Restaurant. Chef Robert Reilly put together a wonderful breakfast, lunch and dinner menu that will give you a wide variety of "must try" entrées to choose from. We would like to hear your comments on what you would like to see on the menus.

The turn cart located outside the Timbers Restaurant will be open weekends starting April 6. Hours of operation on the following weekdays will be Wednesday, Thursday and Friday 10:00 AM-3:00 PM and weekends 10:00 AM-4:00 PM, weather permitting.

Easter

Be sure and join us at the Timber Creek Ballroom for Easter Sunday Brunch. We have a fantastic Easter brunch buffet planned. Seating in the Ballroom will be 10:30 AM-3:00 PM. The adult cost is \$23.75 inclusive, children age 6-12 \$12.45 inclusive, children 5 and under are free. Reservations are required. You may

pick up a copy of the Easter Sunday Menu at Timbers Restaurant hostess stand. On Easter Sunday the restaurant and bar will be closed. The Bar and turn cart will be open from 10:00 AM - 4:00 PM.

We have had a lot of positive comments regarding the Nu Tones

atre production of "Pirates of Penzance," Woodland Opera House "Eleanor" or Sacramento Capital Opera's production of "La Boheme." Some future Activities that are in the works include a rafting trip, a country western hoedown with barbecue food and western music outdoors here at Sun City, nature hikes and a boat ride on the Sacramento river to a picnic area for lunch. We are always looking for new ideas so please feel free to stop by with any new ideas for a trip or event here at Sun City.

In May be sure and keep an eye out for our "Cinco de Mayo" that will be held by the outdoor pool here at Sun City on May 3, featuring the same "Mariachi Los Gallos" band we had last year (they were extremely talented and a big hit!) and a delicious Mexican food buffet. Also in May, a Napa Valley wine tasting trip will be offered aboard a luxurious "Limo Bus". I have personally been on board the "Limo Bus" and it is the only way to travel! Universal Limousine will showcase their 20-passenger bus on April 1 at the Lodge from 2:00 PM to 4:00 PM while offering complimentary wine and snacks. We may consider further use of the "Limo Bus" for other trips if the May trip is well received. So come see what you think for yourself!

This is not an exhaustive list of the activities offered so be sure and look in the back of the *Courier* for a listing of other exciting new or popular repeat activities that will be offered in the coming months. With such a mixture of things to do, what better way to enjoy your retirement than to partake in the trips or events here at Sun City!

(see the top picture below) and West Fifth Avenue Band. By mixing it up, we give you a variety of great music to listen or dance to. We are looking at the possibility of having a piano player or band on Saturday nights. Feel free to give your input. I would like to know if this would be something you would support.

Thank you for your support and patronage of the Timbers at the Lodge Restaurant. We look forward to serving you in the year 2002.

Activities Alert

By Mike Aguilar, Activities Director, Sun City Roseville Community Association

In the Executive Director's article I wrote about some new Activities offered in the coming months but did not really talk about the popular repeat trips we offer. An example of one of our successful repeat events includes the baseball games coming this season. Pick up a list of all of the River Cats, Giants and A's games that will be offered throughout the entire season until September from the Kiosk. This will help you mark off your calendar ahead of time so you will not miss any of this year's exciting games.

Besides baseball season we will continue to offer a variety of great live bands for our dances throughout the year thanks in part to the volunteer resident "Music Committee" that meets every couple of months to review potential live bands that play at our dances (if you would like to attend a meeting the next one will be on April 12 at 10:00 AM at the Lodge). Our April "Let's go to the Hop" dance will feature the talented Gene Thorpe Band and promises to be a fun evening of poodle skirts, leather jackets (dressing in fifties outfit is encouraged but not required) and a great mix of music including, of course, tunes of the fifties and sixties.

Remember on April 1 we will have an open house tour of Universal Limo Service's "Limo bus" at the Lodge between 2:00 PM and 4:00 PM. Complimentary wine and snack will be served as they show you your luxury transportation that will be transporting you

in style during the May Napa Winery trip that will be featured in next month's *Courier*. If all works well and the "Limo bus" is well received by our residents, there could be future trips to other exciting destinations using this luxury service.

April is "Volunteer Appreciation" month so be sure to log into the Volunteer book behind the Monitor's Desk your volunteer hours here at Sun City Roseville (please remember that we do not count volunteer hours that are logged outside of Sun City). For all residents with more than 50 hours logged volunteering at Sun City, we will be mailing you a special invitation to attend our "Volunteer Appreciation" breakfast. A special thank you though to all volunteers that dedicate their own time in volunteering both within Sun City and in the surrounding community.

Independence Day is right around the corner and we would like to encourage all Sun City neighborhoods, Chartered Clubs and resident groups to participate in our July 4th parade that will follow our July 3rd concert and fireworks show. I won't tell you what it is yet but there will be a very worthwhile prize for the winner of "best float" in the parade this year. Last year Trolleybell Court won and were treated to a breakfast in the Solarium and everybody had a great time. This year's prize will be even better.....who knows, maybe you and your group will be the lucky winners for 2002!

Golf Course Maintenance

By Leonard Theis, Golf Course Superintendent, Sun City Roseville Community Association

Spring is rapidly approaching and with this change in season an entire different set of turf grass maintenance practices begins. With warmer days and nights and additional sunlight, grass slowly begins its emergence from dormancy. We encourage its growth with applications of fertilizer, light irrigation when there is not enough rainfall, chemical applications to discourage annual weeds, some overseeding or re-sodding of areas that were injured by the winter frosts or did not recover fully from last summer's turf losses. In addition, we will begin light verti-cutting and spiking of the greens, some sand applications and just all around pampering of the turf.

This season we will be working very closely with the USGA Turf Advisory Section, local Golf Course Superintendents and the Golf Advisory Committee to improve the overall conditioning of our golf courses. A great deal of research has been done and numerous maintenance standards have been increased to better reflect the desires of the residents of Sun City Roseville and the golfers that utilize our facilities. The new Maintenance Standards and Project Lists are available by calling me, Leonard Theis, 782-4450, and I will see that

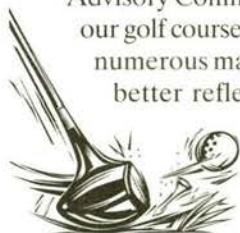

you receive a copy of all the recently published information regarding increased golf course maintenance.

There will be some minor inconveniences to the golfers as some of the increased maintenance will require a part day closure of nine holes each week. The closure schedule is available in the Pro Shop and will be in addition to the twice a year closure for aerification of the greens. The greens aerification is scheduled for the Pines GC on April 4, the Oaks GC on April 15 and the Lakes GC on April 16. Aerification of the tees and fairways will also be completed during the spring but will not require the courses to be closed during those maintenance periods. We do ask for your patience as we attempt to complete these necessary maintenance activities in a timely manner.

Elections Committee

In March, it's not easy to project oneself into the heat of Summer, the 4th of July celebration, or the annual Association Election. Before you know it, they'll be here. Near the end of March, letters will be mailed to members asking good people to step forward as candidates for the Board of Directors.

Early in June, voting information and ballots will go out to members, and voting will extend from that date until July 9. There will be opportunities to meet all the candidates at the Lodge in June. The process has started.

Fitness News

By Sharon Pauser, Fitness Director,
Sun City Roseville Community Association

Avoid the Stampede!

With over 2,200 residents using the Fitness Center on a regular basis, it is no wonder that users experience crowding of classes and waits for the exercise machines. If you would like to work out when it is a bit less frenetic and congested, think about occasionally visiting during the less popular hours of 5:00 PM until closing. Not only will you be able to speed through your exercise program, you might also enjoy the variety of attending at a later time and having a morning free.

CPR/AED Classes

Learn how to save a life! The next CPR/AED Class will be held on April 3 from 8:30 AM-12:30 PM in the Aspen Room. Don't wait – sign-up now in the Fitness Center. The fee is only \$25 and includes your Red Cross Certification. It's easy to learn and the knowledge you gain could mean the difference between life and death for someone near and dear to you.

The Sun City Challenge!

It's time to start thinking about participating in this year's Sun City Challenge which will be held in late May (exact date TBA). You don't need to be a super athlete to take part, just enthusiastic and in reasonably good shape and health. Participants can enter one or all of the following events: 10 mile bike ride, 3.1 mile run/walk, ¼ mile swim (9 round-trip laps). Now would be the time to get yourself exercising on a regular basis so you are prepared to "meet the challenge." Remember, never begin an exercise program without the OK from your doctor especially if you suffer from any illness, disability, or disease. And once you get the go-ahead, keep in mind that the old adage "easy does it" is timeless wisdom. Ease into your fitness program to avoid muscle strains and fatigue.

FAQs (Frequently Asked Questions)-

Q- Why is the air conditioner on in the indoor pool area in the winter and early spring? I can often feel a cold draft when I'm getting in and out of the pool.

A- Actually, the air conditioner is not on. What you are feeling is the air moving due to the fans that must always be running. The thermostat is set so that the heat goes on whenever the tempera-

ture in the pool area drops below 78 degrees. Once the temperature is brought up, the heat then shuts off. The fans, however, remain on and continue to recirculate unheated air, causing it to feel like the air conditioning is on. Imagine that you had a fan in your bathroom at home and you stepped out of the shower dripping wet. The bathroom temperature may be adequate; however, if you stood in front of the fan it would cause rapid evaporation of the moisture on your skin, making you feel cold. It would be great if we didn't need to have the fans on all the time but, without them, the humidity would be so high that the walls and windows would have a buildup of condensation and the area would have a heavy chlorine smell.

Architectural Review Committee

By Kathleen Snook, Chairperson, ARC

On January 24, 2002, the Board of Directors approved new Exterior Painting Guidelines (Appendix E-1 to the Design Guidelines). These guidelines clarify and provide detail to homeowners wishing to repaint their residences.

All homeowners wishing to repaint their residences (whether or not a color change is requested) must complete and submit an application.

Application forms are available in the Association Office. The forms contain detailed instructions and restrictions and should be reviewed carefully before submission. The homeowner's signature on the application indicates agreement with all the provisions detailed on the application. All applications will be maintained in the homeowner's file.

If color changes are not requested, the application will be processed automatically by the ARC. (Note: no application is required for touch up painting, i.e., less than half of the house, or just the trim, or painting using the same colors and type of paint.) Color changes to the house, trim, or front doors will only be approved for colors that closely match the shades/hues on the Sun City Palettes. Please pick up a copy of the March 2002 Design Guidelines Flier for more complete details of the Exterior Painting Guidelines.

Community Relations

Committee *By Alice Tollefson, Chairperson, Community Relations Committee*

Community Directory

CRC Committee Member, Martin Green, provides the following:

Preparations for the first annual Community Directory continue. The CRC's Directory Committee approved a striking color photo of the Lobby for the directory's cover. The Committee also examined photos of Sun City places and people for possible inclusion. Bouchard Marketing has received inquiries from a number of potential advertisers. The Board of Directors voted to give the participating advertisers one copy of the directory or a "read only" disk.

The directory will contain a wealth of information about Sun including a history from the time Sun City was an empty populated only by seagulls and jackrabbits to the present.

The revised "interim" Sun City Directory, to be distribute March 2002, will contain an insert giving residents the opportunity to update their directory information and also add the e-mail addresses if they wish. The resident updated information will appear in the new Community Directory scheduled for delivery October 2002.

CRC Monthly Meetings—All Residents Welcome:

CRC holds two meetings each month providing an open forum for all residents to participate. Both meetings are held the second Monday of the month in the Birch/Cedar Rooms. The March 11 general CRC meeting begins at 1:30 PM. Committee member Stu Schroeder has arranged a presentation on Roseville City road renovations and future road improvement projects.

Another shorter presentation is offered by Linda Roberts, Superintendent, Roseville Public Cemetery District. Linda will inform attendees about the public cemetery service available to Sun City Roseville residents.

Following the general CRC meeting, the Community Directory meets. Those residents who are interested in learning more about the plans for this directory are encouraged to attend. Involvement in your community produces results for a successful future.

Library News

By Phil Zeitman

What's going on in the Library? New books are arriving daily, but don't overlook some of the older books on our shelves. Good reading can be found with some of these books.

Do you know that we have 14 different Dick Francis novels? Francis is a great mystery writer who always develops his plots around the racetrack.

Community Concerns

Remember that your name will not be listed in the *Courier*, but the Board will know your identity. Keep the questions coming to Barb Koppel at Suncityb@pacbell.net, 771-9304, or fax 771-9305.

QUESTIONS

Question: Why wasn't the community asked about their opinion regarding the new Telephone Directory and that it would have 80 pages of ads given their very adamant position about wanting fewer or no ads in the *Courier*?

ANSWERS

Answer: This directory will be significantly different from the *Courier* and will be more of a community wide informational tool. You'll find some more info about it in this month's Community Relations Committee *Courier* article. Much like other large association directories such as Rossmoor, the Villages and Sun City Palm Desert, we hope it will serve as a "one stop shopping" directory for SCR residents. The advertisers will have a separate section for their ads - it will not interfere with the resident phone listings or the general information portion of the directory. We view the ads as being an optional service to the residents, not a detraction. At this time, I'm not sure of the exact number of pages that will wind up for ads. That will be better defined once we see how large the overall directory will be - how many informational pages, map pages, phone listing pages, etc.

Regarding the *Courier* survey, while there were residents that had issues with the advertising in the *Courier*, for the most part they recognized the need to generate revenue for it to cover costs. No viable alternatives were presented for generating that revenue. Same with the directory - the directory is to, at a minimum, break even and possibly generate some income over expenses. There is no budget for it now and the Board does not want to create one in the future. The Community Directory Subcommittee has been meeting since last summer and meetings are open to the residents, and requests for resident participation were made when this project was first announced. Regular status updates have been given at monthly CRC meetings and the monthly Board meetings. There will also be an informational flyer on the new community directory included in the March 2002 Sun City resident telephone directory.

You will enjoy *Banker, Bolt, The Edge, Longshot*, or his other ten novels.

Among the newer books, two that stand out are:

Secret Wife of King George IV by Dianne Haeger. Can you believe George with two wives?

Persia Cafe by Melany Neilson. A woman trying to identify herself in a small town.

Golf Cart Usage

About a month ago a golf cart, driven by a resident's grandchildren, caused damage to our golf course. We need to remember that a golf cart driver must have a valid driver's license. Golf carts must be driven in marked lanes on the main streets in Sun City or to the right side on unmarked streets. Golf carts may not be driven on city streets outside of the community.

Vandalism or other problems

As homeowners we have an investment in our community. Each of us needs to be aware of problems we may see and report them to the proper authority. For instance, if you notice a problem with landscaping, sprinklers or public area lighting within our community,

please call the Association Office, 774-3880. If you notice an incident of vandalism of suspicious persons or vehicles, please call the Roseville Police Department, non-emergency phone number, 774-5000. To report a streetlight outage, call Roseville Electric, 774-5601. For a wealth of other phone numbers or community information, consult the color-coded pages at the front of your Roseville Telephone Directory.

DMV License Review

As part of the Sun City Roseville Driver Control Policy, our insurance carrier requires enforcement of policies to ensure that our driver liability exposure is kept

to a minimum. To meet this requirement, persons volunteering for the Citizen Patrol will now be subject to a periodic review of their Motor Vehicle Record. Based on the number or severity of violations and when they occurred, a volunteer may be restricted from operating any Association vehicle.

Neighborhood Watch Revitalization

Bill Hooper, 774-6072, and Ed Abbott, 771-2307, are continuing their efforts to revitalize the Neighborhood Watch Program in our community. Village Coordinators or Team Captains who have questions or need assistance with their duties are asked to contact them. Volunteers are needed!

Interested in being a Citizen Patrol Volunteer

Call the Citizen Patrol Office, 774-3853.

Sunshine Committee

By Rosemary Sheldon

Is your smoke alarm battery chirping at you? Who do you call? There is a Battery Brigade to your rescue. The Sun City Foundation has a maintenance crew to assist you. Forms are available in the Administration Office or call 774-3800. Earl Smith, 771-7400, heads up this crew of volunteers and has team members assigned on a daily basis to assist you. Earl recently received a call on a Saturday evening. The Smiths had dinner guests and Earl recounts, "The wives were cleaning up the dishes so I ran over to change the batteries. No one wants to hear a battery chirping all night. We try to accommodate people as much as possible."

The Sun City Foundation purchases the ladders and batteries for the team. There is no charge for this service, but tax deductible donations are gladly accepted. Among those on the team are: Jim Merchant, Rich Konkol, Dick Miller, Dick Mankewich, Fred Amador, Joe Patania, Tim Miles, Ken McRee, Irv Dahlin, John Millar, Maury Luckett, Ambrose Roy, Martin Schlaegel, and Joe Rodante.

This is only one of the many ways that the Sunshine Committee and the Sun City Foundation work together. Other programs that are funded by the Foundation are the Wheelchair Transportation and the Caregiver Relief Program. Be sure to check the "We're Here to Help" flyer at the Kiosk for all of the telephone numbers to call for these services.

The next Sunshine Committee meeting is scheduled for 8:30 AM March 7 in the Poker Room. Members are preparing for the parking lot sale where they sell coffee and doughnuts as a community service project.

CHECK, CALL, CARE!!

Gina Ponzo performs the Heimlich maneuver on Carol Waltz.

Instructor Gordon Bjonerud shows Jan Percy how to prepare for rescue breathing.

Instructor Tom Schlarb shows Dean Percy where to place hands for chest compression.

By Barbara Woolman

CPR/AED KNOWLEDGE SAVES LIVES

Suppose someone passes out in front of you. It could be your spouse, a family member, or perhaps a stranger. Would you know what to do? Rapid response is critical! Even a one-minute delay can be a matter of life or death.

CPR/AED classes are available now through the Fitness Center and it is extremely important that all of us take one of these—if only for our own safety. We never know when an emergency might arise and having these skills could make all the difference.

The classes are taught by Fitness Center Director Sharon Pauser and trained resident volunteers Gordon Bjonerud, Tom Schlarb, and Jeanne Dilg.

CHECK, CALL, CARE—the first thing we learn are these three trigger words. We **CHECK** the area for safety (live wires, fire, etc.), we **CALL** for help—911, or if we have a cell phone it's 786-6444, then we **CARE** for the victim. (We all do have this emergency number pasted on to our cell phones don't we?)

The class teaches us how to administer the Heimlich maneuver if someone is choking. We learn when to use this procedure, where to place our fist, and how to give abdominal thrusts.

We're trained in all sorts of CPR (cardiopulmonary resuscitation) techniques. We know what to do if the victim isn't breathing but shows signs of circulation. We practice how to check for heartbeats, where to place our

hands in order to give chest compressions, and how to tilt the head back and clear the airway for rescue breaths. Using the dummies, we give rescue breaths. We even learn what to do if the victim is unconscious and shows no signs of breathing.

The instructors demonstrate how to use the AED (automated external defibrillator) machines. There are four of them in SCR located: (1) behind the Fitness Center Monitor's counter, (2) Monitor's Desk in the Lodge, (3) Sierra Pines, and (4) Golf Pro Shop.

We know to do CPR until the AED is ready and we find that the AED machine is simple to use. The directions are right there "on the package;" any-

Lynn Luckett starts to give chest compression.

Christine Pal places "victim" Brenda Battiste in the recovery position.

one can work it. We wipe the victim's chest dry, attach the pads (one on victim's upper right chest and the other on the victim's lower left side) then let the AED analyze the victim's heart rhythm. If the AED advises a shock is needed, push the shock button. The machine tells us what to do step-by-step.

Please sign up at the Fitness Center for the next CPR class—

Wednesday, April 3, starting at 8:30 AM.

The fee for the four-hour class is \$25 and includes certification.

The life you save may be the one of someone very close to you.

Instructors Gordon Bjonerud and Jeanne Dilg explain how the AED machine works.

Jewish Fellowship Circle: Passover will be celebrated on Saturday, March 30, with a Seder at 6:00 PM in the Ballroom at the Lodge. The cost is \$33 for adults and \$15 for children 12 and under. Call Marge Cowan, 771-3246, or Alan Minsky, 774-0827, for reservations and info. Everyone is welcome so plan to join us and enjoy this warm occasion with our extended family group.

Services will be concluded by Ed Abbott on Friday, March 1, 7:30 PM, at Sierra Pines.

Pedro Group will meet March 11 and Sunday, March 24, 7:00-9:00 PM at Sierra Pines. Any questions call Sam, 771-3750.

The Humor for Health program for March 13 will be "All About Irish Humor" at Sierra Pines, 7:00-8:00 PM. Free, more info, call Ed, 772-6375. Any and all Irishmen and Irishwomen

are welcome to come with their humorous stories. It is St. Patrick's Day in March so make March 13 Sun City's "Green" happy, laughter and love day without alcohol. The Humor for Health meets every 2nd Wednesday of the month and welcomes all to attend and participate by telling or reading a humorous story.

Current Events Discussion Group meets March 14 and 28, 3:30 PM at the Lodge. Please join us for lively and informative discussions. For more details, call Marge or Eli Lawrence, 771-9525.

Nurses of Sun City: Lunch meeting on March 11 at noon in the Solarium of the Timbers Restaurant at the Lodge. A representative from the Friendly Visitor Program of Placer County will be our guest speaker. Should be interesting and informative. Info: Lil Howington, 771-4362, or Terry Halstead, 771-4166.

Sun City Republicans: March meeting-guest speaker to be announced soon with a postcard to members. Stay tuned! Guests are welcome for this meeting to be held on Monday, March 11, 6:45 PM at the Timber Lodge Ballroom. Remember: Tuesday, March 5 is Primary Election Day. Be sure to vote for Sun City Candidates

Signs & Sightings

By Don Ahrendt

Shall we properly start out this month's session with a Highland Prayer? "Oh Lord, grant that I may always be right, for thou knowest it is easier to move mountains than to change my mind."

From the Quote Rack, "If you're happy every day of your life, you wouldn't be a human being. You'd be a game show host." And, "We Learn Good Things at our Mother's Knee—and Bad Things at Other Joints." Also, "When you make a mistake, make amends immediately. It's easier to EAT CROW while it's still warm." And,

running for Placer County Republican Central Committee: Carole Valliancourt, Jack Ellison, Claudia Gamar, and Mel Hamel. For further information call 781-2468.

The **Democrats of Sun City** will meet on Tuesday, March 26 at 9:00 AM at Sierra Pines. In celebration of Women's History Month our speaker will be Megan Seely, President of California National Organization of Women. Her topic will be the status of women under the Bush administration. Refreshments will be served. For further information call 772-4371.

Pleasant Grove Community Church announces an additional worship service each Sunday beginning Easter Sunday, March 31. Services will be held at 9:00 and 10:45 AM with a fellowship and refreshment time between the two.

Anyone who is **interested in playing golf** for The Swing Club for the Blind, or who would like to be a volunteer, please call Tom Smullen, 786-8292.

Sun City Educators: We hope you will join your fellows for a special program on the teaching experiences in China of Ted Ball, a Sun City resident who retired from Consumnes River College in 1992. This will be an informative and exciting glimpse of Chinese education. The year's programs will be discussed and your ideas are welcome. We look forward to seeing you all again March 21, Sierra Pines, 10:00 AM-12:00 PM.

Timbers At The Lodge's Next Kitchen Tour — Mar. 26

We continue to have such a wonderful response from people who have attended the Kitchen Tours that we are looking forward to this month's tour. Tours will be given once a month on the last Tuesday of the month. Our next Kitchen Tour will be given on March 26 at the usual time of 3:00 PM. Due to limited space we can take no more than 20 people per tour. Please sign up in the Catering Office any time Monday - Friday, 10:00 AM-5:00 PM or call us at 774-3876.

I bet you've discovered "RETIREMENT is when you stop living at work and begin working at living."

In Key West, Florida: The miniature golf course goes by "The Key Holes." A bar is dubbed "The Thirst Aid Station." A hosiery store is "Sock-Land Yard." Laundromat is "The Washing Well." The highest point on the island is the garbage dump that is known far and wide as "Mount Trashmore."

On the Florida Turnpike, the lovely cash collection gals tucked away in their booths are known as "Toll House Cookies."

I'm sure you knew that in English Pubs, ale is ordered by pints and quarts. But, did you know that in old England when customers got unruly, the bartender would yell at them to mind their own pints

Sun City Roseville Follies

There'll be a hot time in the old town Sunday, March 10, when the second SCR Follies kicks off. Based on the renowned Palm Springs Follies, SCR seniors are proving that there is a big difference between aging and getting older.

Spearheaded by the energetic Joan Stasio and Marian Ward, long-legged lovelies, cloggers, tappers, line dancers, comedy routines and a variety of other professional acts will be part of this lively, fun-filled event. The cast is made up of your friends and neighbors – all Sun City residents.

Performances will be at 2:00 PM and 6:00 PM in the Lodge Ballroom. Tickets are \$6 each and are on sale at the Activities Monitor's Desk in the Lodge.

Our ever-congenial Bocce Instructor, Bob Vance, is moving to South Dakota. We will all miss Bob's skilled advice on the courts. Sam Lillo has volunteered to take over as the Instructor. If you would like to learn the game, give Sam a call, 771-3750.

Speaking of volunteers, only 12% of the Club's membership volunteers to do the work of running the events, parties, tournaments, etc. For a Club to stay strong we all have to contribute our time; paying dues doesn't do it all!

The Bocce Club general membership meetings are the 4th Monday of odd months, 7:00 PM in the Lodge. Past meeting minutes are available in the Library. Our next meeting is March 25; see you there and "keep rolling!"

Cancelled Bridge Sessions

Reminder: All Bridge sessions are cancelled in the Card Room and Sierra Pines on March 4 and 5 due to voting.

British Isles Club

All at our January meeting had a fun evening. Christine and Dale Bahn and Eileen and Colin Moody hosted an English High Tea (complete with tea pots and china cups and saucers) and we watched the movie "The Land Girls," a great movie about the Land Girls' Army during World War II.

The next meeting will be March 27 when we will have a "Whist Drive." Come to that meeting and hear about our planned bus trip to the Jackson Rancheria on May 1.

We welcome anyone with an interest in Britain or the Commonwealth to join our Club. Please call Dale Bahn (President), 771-8792, or Joe Flores (Vice-President), 773-9724, for further information.

Can Do Club

Where next? The question arises frequently for many Sun City residents who sell their homes and seek assisted living arrangements. Most grapple with terms like: Retirement Communities for Independent Seniors, Assisted Living Residences, Residential Care Homes, Alzheimer's Residences, Skilled Nursing Facilities, Multi-level Life Care Communities, etc.

The bewildering assortment of elder care facilities is enough to make difficult a carefully considered decision on which "where next?" The Can Do speaker at our March 19 meeting (1:00 PM at Sierra Pines) will go far to solve that problem. Jerry Schreck will address Club members, their caregivers and guests and all Sun City residents who wish to attend. He is President of Elder Care Referral Services, Inc., a consulting firm specializing in free services for seniors. His firm helps seniors and their families locate assisted living and retirement facilities and in-home care services. We think this will be a very important and informative meeting, and we urge everyone to make a special effort to attend. Please note the change in location for this meeting.

Ceramics Club

The awakening of spring always reminds me of the little ditty, "Spring is sprung, the grass is rise, wonder where the posies is!" The pretty 'posies' always give us subjects we can transfer to ceramics of all sizes and shapes. This month the General Techniques (Thursdays 2:00-5:00 PM) Ceramics class will be working on both a welcome plaque and thermometer. The techniques will include: black washes, dry brushing and wet brushing to produce these fetching items. Over time, the students become creative and translate these techniques to other ceramics projects. The creative energy is wonderful in both this and the Greenware Classes (Tuesdays 10:00 AM-1:00 PM) ...and we have so much fun!!! On Tuesday mornings, students meet at 8:30 AM in the Timbers Restaurant for a great breakfast before class. Come join us.

Our general meeting will be the last Thursday of March at 9:00 AM. Check the Monitor's Desk at the Lodge for location. We'll be talking about nominations for the new slate of officers that will take over in July.

Cyclers Club

Easing onto a bicycles seat: Each Tuesday and Thursday, the Cruisers take a short, easy paced ride designed especially for those interested in getting started or back into riding. The rides begin at 8:00 AM at Sierra Pines. We've heard that the rides will be about six miles or less while riding at an average speed of nine or ten mph at least until everyone recovers from their winter break. The ride will be followed by coffee at Sierra Pines.

Sign up to lead a ride: There is still a need for volunteers to lead the Friday rides. If you haven't signed up yet, please call or e-mail Norm Boice or John Atkinson to request a ride date.

March Seminars At The Lodge

2002 Community Expo
Monday, March 4

1:00-5:00 PM in the Timber Creek Ballroom
—Presented by the Roseville Chamber of Commerce—
Over 50 local businesses will be showcasing their products and services to you, their prospective customers. Whether you are new to Roseville or a longtime resident, we encourage you to enjoy an afternoon with us!

Wake Up with Make-Up
Permanent Make-Up is the Answer
Monday, March 25

Come join the group and learn about the hottest trend in the beauty industry since the invention of lipstick in a tube. A PAINLESS beauty treatment that allows you to be more beautiful 24 hours a day, every day, forever!! Won't rub off, sleep off or shower off. Come and learn if permanent make-up is for you and see a mini demonstration of an eyebrow procedure. Rosemary will be explaining the newest anesthetic process that is used for total comfort. A drawing for an eyebrow procedure and other prizes will be given away. Come have fun (laugh), learn something new (be in total awe) and possibly win an eyebrow treatment (have beauty and simplicity too).

Presented by First Impressions Skin Salon in Rocklin
Seating is limited so reserve your seat early.
9:00-11:00 AM in the Aspen Room
Call Rosemary to RSVP at (916) 532-0735

business meeting and program at the Lodge on March 20, 7:00 PM. The focus will be on assigning and maintaining garden plots.

Approximately 20 dedicated volunteers gave the Lodge Rose Garden its initial pruning of the year on February 4. If you would like to be part of the select crew that maintains the garden, contact Anne Oney, 773-2707.

Golden Niners Club

Eight new men have joined our roster this winter to enjoy relaxed golfing. They are Leon Raglen, Bob Smith, Alan Holbert, Dick Snyder, Stan Noren, Robert Kenney, Jim Cafferty and George Dunham. Introduce yourselves and make them feel welcome.

Our next meeting is April 2 at Sierra Pines when our tournament play is completed.

He & She Golf Club

Despite a very cold January, the He & She Golfers played on both the 1st and 3rd Mondays. On January 7 prizes for the 18-hole group of 92 totaled \$197 while the 24 players from the 9-hole group were awarded \$46 for a grand total of \$243. On January 21 the prizes rose to a grand total of \$254.

Our membership at the end of January is at 206. If you have not renewed for 2002, the Treasurer is on hand every play day to receive your \$5/person dues. Checks should be made payable to He & She Golf.

With the promise of fewer frost and fog delays we hope to see more of you on play days. It's all for fun – just ask any active member.

Investor Club

The Business Expo is moving forward. The individual investor groups are being asked to participate this year by submitting potential exhibitors and doing some follow-up calls. The group with the most new exhibitors will win \$75, second prize is \$50.

At the Business Expo there will again be cash prizes of \$100 and \$300. However, this year you must be present to win. In addition, there will be prizes from the exhibitors.

Plan on attending on May 11 from 9:00 AM-12:30 PM in the Ballroom. Proceeds are supporting our scholarship program, which awards scholarships to the local high schools. We will again give \$2000 each to Oakmont, Woodcreek and Roseville High School and \$750 to Adelante.

Education continues to be the focus of the Club's meetings. The March 25 meeting will be Bob Koppel and his topic is "Double Digit Returns with No Market." We encourage you to attend.

Keyboard Club

Back by popular request, Karen, Cecil and Buddy will return for a concert on March 29, 7:00 PM. Each of these entertainers has their own special kind of music. Pick up your free tickets at the Monitors Desk in the Lodge Lobby.

The next meeting of the Keyboard Club is March 22 at Dick Donahue's, 216 Saddlebag Court, 771-4062. Members please call

if you plan to attend. Each member is to bring a "white elephant" to exchange. If you do not have a "white elephant," copy one of your favorite songs, roll it up, tie a ribbon 'round it and bring it to exchange. We might get someone to play a few songs on Dick's keyboard.

The Club meets the fourth Friday of March, June, September and December at 3:00 PM. Watch the *Courier* for future news. For information on the Club, call Art Powers, 771-4266, or Dick Donahue, 771-4062. We welcome new members.

Language Club

International Language Club will meet at 11:00 AM March 20 followed by HOSTED LUNCH for members only. Yiddish Group will host. A \$5 deposit (check, no cash) sent to Treasurer David Capito reserves your lunch. Beverage not provided. Don't miss this **important meeting** – nomination of officers for the coming year.

Yiddish Group meets March 10, 7:00 PM, at Sierra Pines. Join us for fun in learning Purim and Passover songs. Rita, 771-2307, or ritaa@quiknet.com.

French Group meets March 29, 1:00-3:00 PM at the Haley's. New members are welcome. Some previous experience with French is recommended. Sandy, 771-7091.

Italian Group celebrated its second big night March 1 with great food, music and entertainment! Lillian, 797-2626.

German Group: Gisela, 773-6780.

Mah Jongg Club

Spring is just around the corner and the Mah Jongg Club is busy making plans for the future. In April we are planning a "Poor Man's Potluck" as well as an away "Lunch Bunch," so look for the dates of these events in our April issue. Also in April a nominating committee will be formed to select the slate of next year's new officers.

We want to thank Gail Harris and Cathie Taylor for a wonderful meal at "Dinner with Linda." All had a deliciously good time.

There will be no Mah Jongg lessons in March and April. Sonnie Rudolph will begin lessons in May. Please call her if you are interested, 772-8771.

REMINDER: Club meets in the Card Room the 1st three Mondays of the month 1:00-3:00 PM and every Friday from 9:00 AM-12:00 PM.

Needle Arts Club

Spring is in the air along with hints of tulips and daffodils. We are pleased to again offer bouquets of daffodils through the American Cancer Society in honor of our deceased friend and member, Karen Ostrowski. Pick up the yellow flyer in the Kiosk to order daffodils and support this worthy cause.

Our March meeting will feature Petra Keller who will present a trunk show and speak to us on documenting quilts. This promises to be an interesting look at the importance of the backs of quilts. The meeting is Wednesday, March 6 at 2:00 PM in the Ballroom. You will also hear about the upcoming Spring Luncheon and Fashion

Does the Stock Market Have You Sleeping with One Eye Open?

With mutual funds or common stocks, you may be faced with:

Staying in the market means you risk giving back some of your gains, but...

Leaving the market means you risk missing additional gains if it goes back up.

Hear how others like yourself have overcome some of the most critical financial challenges facing seniors today. Please call us today to learn how to:

- Lock in your stock market gains and still participate in future growth with no risk of loss!
- Lock in a guaranteed interest rate for five years with an option for another five years.
- Defer paying taxes on your interest income.

Know How The Tax Rules Change For Senior Taxpayers

The tax law has certain requirements and tax breaks that apply just to senior taxpayers. Being familiar with these rules could cut your taxes or prevent tax penalties. These rules include:

- A higher standard deduction at age 65
- A 15% tax credit at age 65 (income limitations)
- A requirement to take out a certain portion of your retirement holdings every year once you reach age 70½, or face a 50% penalty
- A requirement to make quarterly tax estimates once tax withholding from wages ends (at certain income levels)

For details and other tax-cutting assistance,

Show on May 8. Plan to attend!

We were certainly inspired and awed by the trunk show presented by Molly Freeman last month. She dyes, weaves and then sews together a wonderful wardrobe of enviable clothing. We came away from her program amazed and enriched.

🍀 New Yorker Club

The date is fast arriving for our annual St. Patrick's Day wearin' of the green festival. Our corned beef and cabbage dinner will be on March 23 at 6:00 PM. The entertainment will include group singing of your favorite Irish songs, limericks, tall tales and prizes for the best of them. And tickets are a wee \$11! Mail your check to treasurer, Jim Pathe. Be sure to be wearin' a bit of the green that evening and if you have a shamrock bring it along too.

As is typical in New York at this time of the year, "the shamrocks are growing on Broadway and every girl is an Irish colleen. And the town of New York is the County of Cork and all the buildings are painted green" but then again, "it 'twas only an Irishman's dream..."

Our antique auction show will return in April. For further details call Estelle El-Hai, 771-6991, or Chris Lynch, 771-0716.

🍀 Niners Club

The Niners had their first tournament of the year. There were 48 hearty souls that participated in the

event. It was "put best foot forward" for the Low Putt contest and there were four people who did just that. In first place with 14 putts each were: Sally Kimura, Darlene Flora, Marcia Dunham and Hazel Rundquist. Congratulations also to Darlene Flora for breaking 50. What a great day she had! Good job, ladies. Hopefully, by the time

Above: Low Putt Contest, from left, Sally Kimura, Marcia Dunham, Darlene Flora, and Hazel Rundquist; Left: Darlene Flora breaking 50.

of the next tournament date the weather will be a little warmer. Please be sure to attend the next General Meeting to be held on March 20 at 2:00 PM at the Lodge.

🍀 Rod & Reel Club

I must be gifted. Yes, I told you that our Annual Rod & Reel Club Crab Feed would be an outstanding event, but it exceeded even my fondest expectations. I don't know how they did it, but there it was: All the crab (cracked to order), bread, dipping sauce, beer, salad, soda, wine and smoked salmon you could handle and it was great! Now, Joe Patania and LeRoy Gratz are going to be "up against the wall." After all, once you achieve perfection, how can you repeat it?

It was mentioned at that meeting that we are ready to order some special Sun City Rod & Reel baseball caps for our members. They will be offered at our March meeting and members will have an opportunity to sign up for the first caps. The order will be limited to the first 50 members indicating an interest. See you then...

🍀 RV Club

Our trip to Plymouth went well with 17 rigs participating. Wagonmasters Gordy and Mary Selfridge did a great job ably assisted by co-wagonmasters Bob and Char Simmons. The golfers had fun, the wine tasters enjoyed the imbibing, and the antiquing went well.

This month a smaller group is going to Duck Island RV Resort (across the Sacramento River from Rio Vista) to explore that area of the delta. We hope to visit the Jelly Belly Factory and other points of interest around Rio Vista.

Future activities for our Club include a trip to Palm Desert March 4-9, wagonmasters Bob and Marilyn Wroblewski; a St. Patrick's Party on March 17, 4:00-6:00 PM at Sierra Pines; a trip to Chico April 21-23, wagonmasters Herb and Melitta Strandberg; and a return trip to Plymouth May 7-9, wagonmasters Ed and Pam Underwood.

For information about our Club, contact President Bruce Mackie, 771-5237. For inquiries about our trips, contact head wagonmaster Ed Underwood, 773-2726.

🍀 Scribe Club

General Meeting: March 27, 2:00 PM, Sierra Pines, the Scribes present Erika Jackson, Public Programs and Adult Education Coordinator of the Crocker Art Museum. The Crockers were eminent early Californians. Wife, Margaret, gave Sacramento the original gallery. The adjoining family mansion, once donated to a rescue mission, was purchased by daughter Jennie Crocker Fassett and donated as an annex in 1911. Join us to learn about this historic treasure and its future plans.

Book Discussion: 3rd Wednesday, Lodge, 7:00 PM. Call Sid, 771-8586.

Cinema: We're puttin' on boas, bowties and "the Ritz" at our Hollywood Academy Awards Gala, March 24, 4:30 PM, Lodge Ballroom. Dinner reservations and payment are due by March 12. Call Charlee, 771-4860.

Singers Club

Wander down the hall by the breakout rooms on Thursday afternoons and you'll hear the Sun City Singers belting out the songs they are rehearsing for their third annual spring concert. With Jim Postak directing and Jan Percy tinkling the ivories, the Chorus will perform for you at the Pleasant Grove Community Church on April 18 in two performances, the first one at 2:00 PM and the second at 7:00 PM.

The title of their concert, "Thanks for the Memories," will cover oldies but goodies. In other words, those songs you have heard over the decades of the 20th century will be presented in ways you have never heard before and as only the Sun City Singers can sing. Tickets for both performances are on sale now for just \$7.00 per ticket and may be purchased from any member of the Chorus or in the Lodge Lobby the first few days of March and April.

Singles Club

Commemorate the first day of spring on March 20 by joining Singles Club members for a Dinner-On-The-Town. Contact organizer Dorothy Marks, 771-9859, for a reservation. She says you'll have a choice of entrees for the dinner which starts at 6:00 PM. Don't miss our regular Saturday Night Social-BYOB potluck on March 16 at 6:00 PM at Sierra Pines or Breakfast At The Lodge on Tuesday, March 12 at 8:30 AM.

Our non-culinary activities include Bingo, Tripoley, Bridge and Canasta. Our Music and Arts director, Joyce Wade, plans a cultural outing every month.

Be sure to read the Singles Club Newsletter for details, dates, times and sign-up information for all of our fun events. All Sun City singles are welcome at our general meeting on the first Wednesday of the month at 6:00 PM in the Lodge Ballroom.

Softball Club

The team draft is scheduled for March 4 and we will know who our new manager and teammates will be for the 2002 season. Teams will be practicing during March preparing for the preseason tournament against "The Placerville Softball Club" on April 10 at Mahany Park.

Our "Chief" of umpires, Gene Hogue, has been holding meetings to better prepare our volunteer umpires to understand the rules and make the correct calls. He has been getting a pretty good turnout, but we always need more "Blind Mice." There will also be some "on field" instruction during the practice season.

The Softball Club is always looking for new players so if you're interested contact Curtis Cox, 771-4983; Skip Jenkins, 771-3093; or Russ Ramey, 771-4975. Or sign up at our next general meeting, 1:30 PM on March 6 at Sierra Pines.

Our teams will be practicing every Monday, Wednesday and Friday mornings at Mahany Park. Come on out and take a look.

Table Tennis Club

Thanks to all who came out and helped during our open house on February 9. We had a great time and enlightened some of our nonmembers to the fun and exercise of table tennis.

Members – mark your calendars for March 19 for our next quarterly membership meeting at 4:30 PM. We will have a morning session on March 14 beginning at 10:30 AM. On March 28 starting at 1:00 PM we will have our Doubles Team Tournament. Sign up in advance is required and there is a nominal charge of \$1.00. In April, we hope to have a singles tournament.

Lately, attendance has been growing and it has been quite crowded. We have instituted what the Club Officers feel is a fair "sitting out" process, and we thank you for your patience and willingness to sit out from time to time. We also want to remind members that we stay open until 6:30 PM on Tuesdays and Thursdays and, generally, that last hour from 5:30-6:30 PM is not crowded.

Remember: March 5 is Election Day, no Table Tennis. We will play instead on Wednesday, March 6, 10:00 AM-1:00 PM.

Trails Club

The Trails Club met on January 30 and the first order of business was the introduction of new officers for the year 2002: President, Joann Orovitz; Vice President, Pete Grady; Secretary, Arlene Lennig and Treasurer, Don Ahrendt.

The main purpose of the meeting was to provide the members with an overview of the upcoming activities for the year outside of the Club's regular Thursday hikes. These special activities will include: a Spring Potluck Brunch, Summer Picnics in June and July, Truckee River Float Trip in July, a trip to Angel Island in September. Also on the agenda are possible trips to Point Reyes and the Sutter Buttes.

Despite the cold weather, January hikes were very well attended.

The next meeting will be held on March 18 at 7:00 PM at Sierra Pines. A special program on hiking the John Muir Trail will be presented by Adam Salinger.

Travel Club

March's Travel Club meeting will be at 3:00 PM on Monday, March 11 in the Ballroom. Our speaker will be Sheri Bolstad, Placer County Health Nurse, who will give us lots of hints on how to stay healthy during our travels.

Have you paid your Travel Club dues for the year 2002? Membership dues are \$5/year/person, and you can pay them at a Club meeting or send your check to Membership Chair Darleen Hegerle, 7218 Lost Lake Lane. If you are a resident of SCR, you must be a member in order to be eligible to go on Travel Club trips.

Many of our members are on line. If you have an email address, send it to Darleen at dar.hegerle@attglobal.net to receive up-to-the-minute new travel deals that will be coming in from tour companies as they arise. Though these trips come at the eleventh-

Veterans Club

We meet the first Wednesday of each month, 10:30 AM at the Lodge. We have a short business meeting, followed by interesting speakers.

We are planning an overnight bus trip to Reno on March 20 and 21. The price of \$79.00 includes transportation, gratuity, lodging, and the fabulous stage show, "Simply Cole." Bonus cash and lunch rebates will be given to each participant. Contact Don Phinney, 772-6181, for reservations.

Castle Air Museum and a nearby brewery are scheduled for April 18. The cost of \$54.00 includes transportation, gratuity, lunch and the tours. For information and reservations contact Don Phinney, 772-6181, or Ken Kern, 771-9752. If you have any ideas for new trips or tours, contact Don or Ken.

For bridge group information, contact Ralph "Chris" Chrisman, 773-9098. For poker group information, contact either Al Gwynne, 771-9995, or Manny Hirschel, 771-9918.

The next time you meet a service man or woman in uniform, offer your hand and say "Thank you for serving our great country."

Water Fitness Club

Thanks to the dedicated work of Vice President Jerry Adams, our classes are filling up again to the point where we are now very solvent. We need at least 505 members to meet our budget, and we have exceeded that level.

Remember to call one of the officers if you need medical or caregiver leave. Just as soon as you're able to get back into the water, call us and we'll get you back into your class ASAP.

It looks like a luncheon on Wednesday, June 12 is going to remain as the date of our annual membership meeting. Trying to change the date involves a heavy cancellation fee, so the breakfast meeting idea is not feasible.

We're still looking for new blood for our leadership—it's probably not a good idea for the same people to continue as officers ad infinitum! Please consider lending your talents to this very worthy cause. We want our Club to stay strong and viable.

Women's Golf Club

Ladies braving frost delays have been rewarded with some gorgeous golf days and fun events. Tournament Chair, Thelma Rapson, reminds each of us to call the Pro Shop to add-on or cancel. We will continue to have 8:30 AM shotguns during March.

Congratulations to our Aces winners: 1st flight: Maria Bilzergross and Syl Nicolson-net. 2nd flight: Roberta Daley-gross and Melanie Meyer-net.

We are delighted to announce the appointments of Colleen Tovey and Olga Widnes to the new Golf Advisory Committee. Let them know of your concerns.

A WGANC Rules Seminar will be presented here at our Club on March 13. Don't miss this excellent opportunity to learn or brush up in a friendly atmosphere. Especially recommended for newer players. Call Marilyn Cameron to sign-up.

Now available for pickup: Invitational flyers in the Pro Shop and WGANC green books in the golf room.

Vision to Last a Lifetime-
Complete Family Eye Care at Wilmarth Eye and Laser

Cataract Technology Update

Dr. Wilmarth has performed over 3000 cataract procedures over the past 20 years. He was the first to implant the STAAR Toric Intraocular lens and STAAR Collimer lens in Northern California. The Toric Intraocular lens corrects astigmatism so that postoperative vision is much better without glasses.

LASIK There's never been a better time than now to have your vision corrected! Between the state-of-the-art VISX S-3 tracking laser and Dr. Wilmarth's experience, you're sure to be happy! We offer free evaluations for patients who are near/farsighted, or have astigmatism, and financing plans are available. This holiday - give the gift of sight - LASIK!

Dr. Wilmarth is a board-certified eye surgeon and the medical director of the Horizon Vision Center in Roseville.

Cosmetic and Reconstructive Lid Repair

Did you know that the majority of lid operations are performed by ophthalmologists?

Why? They know this part of the body better than any other physician, including plastic surgeons. Dr. Wilmarth offers in-office lid surgery to improve appearance and function.

Consultations are free and offer the best way to evaluate your lids and your personal goals. To find out if your insurance will cover the cost of this procedure, just call our office. We'll be happy to assist you.

22 **Safari-West Trip**
Depart Sun City at 9:00 AM arriving at 11:15 AM at the Safari West Wildlife Preserve located near Santa Rosa. Upon arrival, enjoy a delicious lunch (BBQ chicken, vegetables, potato salad dessert and beverage) served outdoors while taking in the beautiful scenery surrounding the Preserve. After lunch, board a safari vehicle for a 2 1/2 hour educational tour lead by naturalists through the rolling hills of the Preserve. On the tour you will see a variety of over 350 exotic mammals and birds including herds of zebras, endangered antelope and cats, eland, gazelle, cheetahs (the newest members) and much more, all comfortable with the vehicles so you can see most animals up close. Founded in 1978, the 400-acre Safari West Preserve is one of only 14 private institutions in the United States to receive the hard to obtain American Zoo and Aquarium Association membership. Aside from going to Africa you will not find anything like this in the United States. Wear comfortable walking shoes (although there is not a great deal of walking involved), bring sunscreen and don't forget your camera and binoculars. \$80 per person includes tour, lunch, transportation and driver gratuity. See their web site at www.safariwest.com. **RSVP by 4/17.**

and quarts and settle down? It is where we get the phrase, "Mind your P's and Q's."

Here's some Tongue Twisters for you to struggle with. Say three times F-A-S-T, "RED LEATHER YELLOW LEATHER." And, then try "A Box of Biscuits, a Box of Mixed Biscuits, and A Biscuit Mixer."

Lady with a slinky dress is classified as "Barely Successful?"

Night Janitorial Service calls themselves "LATE BROOMERS."

A lot of trouble in this world is caused by combining a Narrow Mind with a Wide Mouth.

A gang of disabled hunters south of Sacramento aptly calls themselves "The Consumnes River Lame Duck Group." License plate frame: "I can handle any crisis. I have children." Business sign on back of a pick-up: "BUMPER MAN, YOU BEND 'EM, WE'LL MEND 'EM." TV Newsman: "I had fun on the slopes. I skied for hours on END."

And, finally, this poem:

"My face in the mirror's not wrinkled or drawn.
My furniture's dusted—the cobwebs are gone
My garden is lovely and so is the lawn..."

I DON'T THINK I'LL EVER PUT MY GLASSES BACK ON!"

Yipe! You can't imagine how I've struggled to scrape together enough material for this month's column. Sooo, it's up to YOU to supply a fresh batch of nonsense for another month. Call Don Ahrendt, 783-8844, or send to 509 Pinecreek Ct., Roseville, 95747.

Sun City Singers

some of the great classics like *I Left My Heart In San Francisco* and *Somewhere Over the Rainbow*.

Q: You've directed choirs and other musical groups and currently perform with an a capella group (Five Past Midnight) as a vocalist. What do you like best about working with the Sun City Singers?

A: They are a well organized and dedicated group of people who love to do what they do. Music has meaning in their lives and they try really hard to perfect their singing ability. They are amateur enough so that anyone can join but professional (and goofy) enough to have written two songs of appreciation for me! Sometimes our rehearsals are very intense because we have so much to learn but they manage to make it fun anyway. They are dedicated and talented!

Q: This year's show includes music from all decades of the 1900's. What is your favorite decade for music?

A: My wife would say it's the 60's because she loves the Oldies. I feel that the 40's have produced a more abundant selection. It's hard to pick a favorite because each decade has produced definite winners.

Q: Jim, looking ahead, what plans and ambitions do you have for the Singers? What challenges would you like to see them take on?

A: The quality of our performance has greatly increased since 1998. I would like to see the chorus perform for more community functions. We have certainly become known around the Roseville area but I would like to expand our horizons. Because of the size of the group we are somewhat limited to where we can perform."

Q: "How can we, as active adults and members of Sun City Singers, help people in the community find more enjoyment from music?"

A: I strongly believe that music exercises the mind, body and emotions. The Singers have so much energy; even our rehearsals are a workout. No chance for atrophy here!

Q: Thanks for taking time to talk with us. The Sun City Singers appreciate your direction and leadership over the past few years. Any final words of wisdom for us?

A: I hope that everyone will want to attend our concert. Maybe some of the energy of the Sun City Singers will rub off and we will all be saying after the show, "Thanks For The Memories."

Your "Proven Professional" Sun City Real Estate Team

Dear Sun City Residents,

An ending... and new beginning are both on the horizon. Squier Properties has a new name: "Squier Real Estate."

I am pleased to announce that my sister, Lenora — you know her for her success in managing the rental side of our business — will be joining me full time in working with buyers and sellers of Sun City Roseville and Lincoln Hills homes.

We, at Squier Real Estate, thank you for your continued support and look forward to being of assistance to you now and/or in the future should you desire to purchase, sell, or exchange Sun City property.
