PRESIDENT'S REPORT: (Jen)

- AUCTION was FEBRUARY 6th at Brookstone Park, Derry. Linda our treasurer will discuss our profit and PG yearly goal.
A fun night nigh overall! Great job Ann Marie L.!

Comments/suggestions for next year from the auction committee:

1. Invitation list could possibly be expanded.
2. Planning, calls etc could start earlier in the year.
3. It was suggested to have it in the Fall vs Spring. ?
- 4.
- 5.

Looks like we'll probably have new chairpersons next year. The School board has asked that the Auction Chairs attend a board meeting to keep communication open and offer help where necessary.

- Grants and The Capital Campaign continue to be in motion. School assessments and needs that will take us into the future, for the next 60 years, are actively being discussed and evaluated.
- Leadership still needed for September 2019- 60th Anniversary Celebration! Contact Dr. Mac.
- Dr. Mac considers the back to school barbeque a PG event. We are/She is looking for a new person to run it. Dr. Mac also feels that the PG should run the pot luck too(vs. the staff).
- Open PG positions. Pg structure change?

- Dr. Mac asked if each of our event chair persons could write a “to Do List” to hand to the PG secretary, and Dr. Mac, so that there is at least a basic outline, timeline, contact info for each event to hand to the next person in charge.
- Valentine Roses happily went home with students on Feb 12.
- January -**Teacher Appreciation Breakfast** was hosted by the 8th graders. This went really well. Next year we’ll add a potato to the hot items to be donated. The teachers were very appreciative.
- Suggestion was that we ask is parents if they want to be added to the SUG. The e-mail list is not inclusive of the whole school. I can send out a simple flyer to all grades.
