From Der Hayr's Desk...

Eternity In The Heart Of Man

From the beginning of creation until now, man has advanced in technology, medicine and exploring the oceans, the planets, with a determination to reach out and explore all of creation. We live in an age of incredibly advanced technology. We have computers and cell phones that put the world at our finger tips. What will man discover or invent next? I am sure amazing and unthinkable things. Our children and grandchildren will undoubtedly enjoy technological advances that are beyond our imagination.

However, one may ask, with all these advances, will man succeed in extending life thousands of years? After all, God has set eternity in the heart of man and human beings have tried to find the so called "fountain of youth" from the beginning of time. In the book of Genesis, we read: "Then the Lord said, 'My Spirit will not contend with man forever, for he is mortal; his days will be a hundred and twenty years.'" Even though we don't take the number of years literally, nevertheless, God is saying to humanity that He will not allow human beings to live eternally in this fallen condition.

Unfortunately, or better yet, fortunately, one thing human beings cannot do is to live this physical life eternally. No doubt, advanced medical breakthroughs may extend life and the quality of life, but not eternally. Not allowing man to live eternally separated from Him, is actually a demonstration of God's love and mercy for humanity. God sent His only begotten Son Jesus to restore mankind to his original nature created in the

image of God.

The work of the Holy Spirit is to set eternity in our hearts by leading us to Christ from Whom springs of living waters will flow to our hearts giving us something beyond human technological advances, or anything that man could imagine - eternal life. Jesus said to the Samaritan woman: "But whoever drinks the water I give them will never thirst. Indeed, the water I give them will become in them a spring of water welling up to eternal life" (John 4:14). Again in the Book of Revelation we read: "For the Lamb at the center of the throne will be their shepherd; He will lead them to springs of living water..." (Rev. 7:17).

As we approach and anticipate the celebration of the Resurrection of our Lord, let us also remember His suffering, even unto death, that we may one day rise and enjoy the gift of eternal life with Him.

Our First Lenten Fish Dinner

This past Wednesday, the ARS "Ani" and "Arax" Chapters hosted the Lenten Fish Dinner for over 80 people. A wonderful meal was enjoyed by all. Proceeds from the dinner were forwarded to the Mourad Armenian School.

Lenten Vespers

Guest Speaker for the Lenten Vespers was Harold Nazarian.

The students of the Mourad Armenian School participated in the readings during the Vesper Service.

Two weeks ago, the Men's Club of Sts. Vartanantz Church did it's small part by providing a delicious chicken and pasta dinner with salad and dessert to the less fortunate. 12 men and one woman from our church might have been doing a good thing, but if you want my opinion, I think we were the ones that benefited. It's not until you see how the less fortunate live on a day to day basis, that you really appreciate just how good things are at home for yourself. All of those that volunteered plus 4 others that were not there donated the money needed to pay for all the dinners, as a result costing the club nothing. Good Show to all that were there.

If anyone is interested in being a part of this worthwhile group, just reply. We will be going back again in the near future.

“THE WAY WE WERE” ENSEMBLE

IN THE MUSICAL DRAMA: “THE HYE LEGION-THE GAMAVOR STORY”

By

HOURIG PAPAZIAN-SAHAGIAN, ENSEMBLE DIRECTOR

SUNDAY, APRIL 14, 2013 at 2:00 PM

“THE WAY WE WERE”

The repertory ensemble of folk artists brings historic themes of Armenian life onto the stage of today through theatricals, music and song. Members of the Troupe represent a cross-section of over three generations, born and raised in the United States. They derive their inspiration from the enduring soul of the Survivors, who are their cultural and spiritual mentors.

“THE HYE LEGION-THE GAMAVOR STORY”

The story of the *Gamavor* Movement recounts the true-life adventures of daring rescue missions during the Genocide years. At that time an alarm sounded throughout the United States: the Turks were killing Survivors and orphans while torching villages again! These selfless Gamavor men, Genocide Survivors themselves, left the safety of their homes in the U.S. and returned to Historic Armenia to search-and-rescue Survivors and orphans. They went back into the Turkish killing fields to face certain death!

Though set in the 1920's, the play's final scene ends on a hopeful note, pointing to a future of freedom and independence for Armenia. While the play is filled with intrigue, adventure and romance, it also features a dozen songs we all know and love.

The performance will be held in the Scottish Rite Masonic Center at 2115 Broad Street, Cranston. We anticipate the availability of ALMA'S GAMAVOR EXHIBIT for viewing in the Dining Hall of the Center. It is interesting to note that an impressive number of our Rhode Island Armenians were among these notable legionnaires.
