Form 7
Deadline
July 22, 2016

**EXHIBITOR APPOINTED CONTRACTOR (EAC)
& BOOTH CONSTRUCTION ASSURANCE**

All exhibitors who appoint “non-official” contractor (EAC) are required to submit the EAC form along with a final booth design plan (including dimensional, section and perspective drawings) before Friday, July 22, 2016 for review by SEMI, the local Fire Marshal and TWTC.

We propose to use the EAC named below in connection with our exhibit at SEMICON[®] Taiwan 2016. We understand and agree that our EAC will abide by all show rules and regulations including those outlined on the exhibit space application and the Exhibitor Services Manual. As a participant in the SEMICON[®] Taiwan 2016 being held at the Taipei World Trade Center Exhibition Hall from September 7 to 9, 2016, we ensure:

That the booth(s) is constructed in compliance with Taipei World Trade Center Exhibition Hall Decoration Guidelines, and
That our contractor will clear all materials from our booth space and remove such to the approved place before the end of the move-out date, and
If the booth and all materials are not removed, we will assume responsibility for all compensation and civil liability, and also agree that the show management has the right to remove all such materials.

NOTE :

- SEMI and TAITRA must approve your nominated contractor along with booth design before they are permitted to work in the exhibition hall.
- The EAC agrees that it will indemnify and hold harmless Show Management and the Official General Contractor from any action resulting in injury or damage to persons or property caused by an act of omission, negligence or misconduct on the part of the EAC or any of its agents, servants, employees or contractors.
- EACs MUST comply with the criteria set forth in the Exhibitor Services Manual, including regulations of exhibit installation and dismantling, and electrical supply. The exhibitor is responsible for the actions of their EACs.
- Before decorating the venue, we and any other affiliated parties will duly comply with governmental worker health and safety regulations and guidelines. In the event of any work-related incidents and/or accidents, we shall be solely responsible for any legal and/or compensational proceedings pertaining thereto. We shall not damage equipment or machinery belonging to or leased from TAITRA, and are fully responsible for all compensation or repairs in the event of damage.

This form is addressed to:
SEMI / TAITRA (Taiwan External Trade Development Council)

Please follow 「 Labor Safety and Health regulation 」 and related laws, read 「 TWTC Hall Decoration Guidelines 」 carefully (www.twtc.com.tw) before completing the form.

This assurance is valid only with company chop and president signature.

Form 8
Deadline
July 22, 2016**APPLICATION FOR USAGE OF THE PROMOTIONAL BALLOON**

To:
SEMI
TAITRA (Taiwan External Trade Development Council)

We will participate in the SEMICON® Taiwan 2016 held in the Taipei World Trade Center Nangang Exhibition Hall from September 7 to 9, 2016. To enhance our show presence, we hereby apply for raising a promotional balloon. We ensure that the balloon will be raised in accordance with the Regulations Regarding Use of the Promotional Balloon. The balloons will be confined within our booth. We will also take sole responsibility for the safety of the balloon. If there is any injuries, financial losses or infringement upon the rights of the other participants or a third party, we will assume all legal responsibility and ensure that SEMI and TAITRA will be excused from any responsibility, including civil liability or any loss due to the previous listed circumstances and we will reimburse TAITRA for all damages and legal costs, and for all related losses incurred upon TAITRA.

We will clean up the balloon and tying line before dismantling, if NOT, SEMI and TAITRA has the right to ask us (the exhibitor) to pay NT\$10,000 (tax excluded) for each balloon and tying line kept in the exhibition hall.

Enclosed is our check of US\$1,700 (or NT\$50,000) as a deposit for the application for use of a promotional balloon. The organizer will return the check after the show, should there be no problems occurred. The deposit will be confiscated otherwise.

Any exhibitor wishing to use BALLOON(s) at their booth should note the following conditions:

 A promotional balloon

1. Only one balloon per booth can be used in each exhibitor's booth.
2. Can only carry the company's name, logo or product brand name.
3. The top of the balloon should not be higher than 5 meters from the floor.
4. To apply for a promotional balloon (**with the balloon's diameter less than 1.8 meter**), exhibitors are required to deposit NT\$50,000 security deposit which will be refundable after the show if no violation occurred. For balloons exceeding 5 meter and less than 7 meter in height, exhibitors are required to deposit NT\$50,000 and to pay an additional non-refundable fee of **NT\$10,000 (tax excluded)**.

 Small non-flying balloons

1. To be used for booth decoration.
2. The top of the balloons should not be higher than 4 meters from the floor.

Exhibitor Company: _____ President of the company: _____ (Signature)

Address: _____ Booth Number: _____

Contact Person: _____ E-mail: _____

Tel: _____ ext. _____ Fax: _____ Mobile: _____

(mandatory)

- Please issue the check (NT\$50,000) for the deposit, **Beneficiary: SEMI Taiwan**
Please send the application form and check before July 22, 2016 via Registered Airmail or Express Courier to:
L1: Ms Rebecca Wang, Tel: 886.3.560.1777 x 306 / L4: Ms Lynn Yeh, Tel: 886.3.560.1777 x 312
11F-2, No.1, Taiyuan 1st Street., Zhubei, Hsinchu 30265, Taiwan
- Without any contravention of the above provisions, the deposit will fully refunded within 30 days after the Show.

**APPLICATION FOR CONSTRUCTION OF TWO-STORY BOOTH
& BOOTH CONSTRUCTION ASSURANCE**

To:
SEMI
TAITRA (Taiwan External Trade Development Council)

We participate in the SEMICON[®] Taiwan 2016 held at the Taipei World Trade Center Nangang Exhibition Hall from September 7 to 9, 2016. As more space is needed for the show, we hereby apply for the construction of two-story booths. We ensure that the booths will be constructed in accordance with the specifications of the construction plan (as enclosed) by a licensed architect, also in compliance with the guidelines, rules and regulations laid down by the relevant government authorities, as well as SEMI's and TWTC's requirements. We will take sole responsibility for the safety of the booths.

We hereby assure for the construction of two-story booths:

- That the booth(s) is constructed in accordance with the specifications of the construction plan (as enclosed) by a licensed architect, and also in compliance with the guidelines, rules and regulations laid down by the relevant government authorities, as well as SEMI's and TWTC's requirements.
- That our contractor will clear all materials from our booth space and complete the waste removal by the end of the dismantle period as listed in the Timetable of Operations on SECTION 1.
- That if the booth and all materials are not removed, we will assume responsibility for all compensation and civil liability, and also agree that SEMI reserves the right to charge the exhibitor concerned for the removal of excessive waste.
- We will take sole responsibility for the safety of the booths. If there is any injury, financial loss or infringement upon the rights of other participants resulting from the design, construction, use or removal of such booths, we will assume all legal responsibility, and ensure that SEMI will be excused from any civil liability or compensation responsibility. If SEMI is charged, and subjected to making compensation or sustains any losses due to any of the above circumstances, we will reimburse SEMI for all lawsuits and lawyer expenses, other fees and SEMI's losses.
