## LABELTAC

LabelTac Printers are thermal transfer printers, which means that instead of using inks, they use heat to permanently bind print ribbon resin to label material. This process gives you a superior quality indoor/outdoor labels- able to hold up to the elements as well as industrial hazards like chemicals and heavy traffic.

### About LabelTac supplies

- For indoor or outdoor use
- 5-year/10-year label guarantee\*
- Simple peel & stick application
- Labels leave no residue when removed
- Resistant to water, UV/sun and chemicals
- Won't smudge or smear
