### Note:

1. Whilst we take the utmost care to not damage any data on a hard disk drive, it can happen. We are not responsible for any lost data, so please **ensure you have made adequate backups**.
2. If you return any accessories, such as power adapter, write them down too.
3. All items must be returned in original packaging or in suitable packaging with adequate physical protection. We are not responsible for any damage that occurs as a result of poor packaging.
4. Please provide a comprehensive description of the fault, otherwise we cannot fix it. Saying "it doesn't work" is not sufficient information.
5. The customer is responsible for the cost of sending the item to Motium.
