

Champions Elite

We are currently seeking financial sponsorship to help with uniforms, gym fees, track and field events, travel, equipment and other expenses. I hope Champions Elite Track, Softball, and Basketball Club can count on your support. Champions Elite has various levels of sponsorship that any person, business, or company can participate in. With the downfall in the economy we need your support to carry on our mission.

Dear Prospective Sponsor:

Champions Elite was created with a vision for boys and girls who desire to learn the games of basketball, softball and track and field on a competitive level. The goals are to provide an atmosphere with excellent coaching, high levels of competition for local Elementary-Middle School athletes looking to improve their skills, while emphasizing the importance of education, and ultimately providing an opportunity for youth who desire to compete on a competitive level. In addition to the dedicated training, our club has an environment that continues to promote individual confidence, self esteem and leadership skills.

Champions Elite Sports Clubs are looking forward to this 2012-2013 season, which will consist of approximately 20 to 30 basketball and softball tournaments and track and field meets, as well as, offer our athletes a desire to travel and compete out-of-state on Regional and National Levels.

As we continue to provide an environment of learning proper skills to become effective athletes, we do have expenses that include tournament fees, uniforms, lodging and transportation. The average expense per player is approximately \$700.00. Without parents, fundraisers, community and business support, some events would be excluded from Champions Elite participating. Be assured that your generosity will pay off in increased business when game attendees see your corporate name on our paraphernalia.
