Care of your leotard

To prolong the life of your leotard, we recommend the following:
All leotards must be turned inside out prior to washing. Machine wash separately in cold water using a gentle cycle. DO NOT USE bleach, detergents or fabric conditioners. Remove immediately from washer, tumble dry on low or no heat setting, alternatively hand dry. DO NOT lay flat to dry. Metallic/foil fabrics may dull with wear and repeated washing. Areas that incur friction may show some loss of foil. We recommend you choose these leotards for occasional competition usage. If these instructions are followed, your Milano Leotard will stay looking pristine for a long time.

Sizes 26" to 36" standard brochure items carry a full exchange or refund guarantee. If not completely satisfied, return the items unworn within 10 days of our dispatch date. Size 38" and above and all personalised items are strictly non returnable.
