I approve wholeheartedly of the principles of the Supreme Council and have never held or expressed opinions contrary to those principles, which are:

“The inculcation of patriotism, respect for law and order, and undying loyalty to the principles of civil and religious liberty as set forth in the Constitution of the United States of America.

“The entire separation of church and state, and opposition to every attempt to appropriate public monies – federal, state or local, directly or indirectly – for the support of sectarian or private institutions.”
