Bidders and authorized representatives must disclose their identity and provide a signed receipt for the bid. Upon opening, bids become "public record" and shall be subject to public disclosure consistent with Chapter 119, Florida Statutes. Bidders must invoke the exemptions to disclosure provided by law in the response to the Invitation to Bid by providing the specific statutory authority for the claimed exemption, identifying the data or other materials to be protected, and stating the reasons why such exclusion from public disclosure is necessary.

This type of check must include **both** the name of the District **and** the name of the company, **separated by the word "or"**.

By submitting a bid, the successful bidder agrees that the Bid Bond is the agreed upon amount of liquidated damages payable to the Northwest Florida Water Management District for failure to sign the Timber Sale Agreement within the specified time period.

Prospective bidders are responsible for determining whether addenda have been issued and are advised to check the District's website, the state Vendor Bid System or check with the District's project manager at least seven days before the bid opening date to ascertain whether any addenda have been issued prior to submitting their bid.

1-13 EQUAL OPPORTUNITY

The District recognizes fair and open competition as a basic tenet of public procurement. Bidders doing business with the District are prohibited from discriminating on the basis of race, color, creed, national origin, handicap, age or sex. It is the policy of the District to ensure that qualified bidders wishing to participate in the procurement process have the maximum opportunity to compete and perform on District contracts. The District encourages participation by minority and women business enterprises (MBE/WBE) and requests MBE/WBEs to submit evidence of such designation with their bids. For further information on designation as a minority business enterprise, prospective bidders may contact the District's Finance Office at (850) 539-5999.

1-14 ORAL PRESENTATIONS

At its discretion, the District may require any bidder to make an oral presentation of the bid. These presentations provide an opportunity for the bidder to clarify the bid for the District. The District will schedule any such presentations.

1-15 NEWS RELEASES

The bidder shall obtain the prior approval of the District for all news releases or other publicity pertaining to this Invitation to Bid or the service, study or project to which it relates.

1-16 INSURANCE

In the event the proposer is a governmental entity or a self-insured organization, different insurance requirements may apply. 1-17 PUBLIC ENTITY CRIME

A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public

3-1 RULES FOR BIDS

A. All bids must comply with applicable Florida Statutes, laws and rules.

- B. All timber will be sold on a per unit basis. Bids must be submitted on the attached bid form stating the price per ton for the designated timber product class. The actual net weight reflected on scale tickets will be the amount to be paid to the District for each ton of timber harvested.
- C. A timber volume estimate by product class for the Econfina Creek 2016 Sand Pine Timber Sale is included for your information. **The District does not guarantee this information.** It is the Purchaser's responsibility to inspect all areas to ascertain the quantity, quality, and estimated value of the specified timber to be harvested. If assistance with access to the site is required, please contact Tyler Macmillan at 850-539-5999 or Eric Toole at 850-722-9919.
- D. No minimum acceptable bid is published for this harvest project.
- E. Bids must be submitted on the attached District Bid Sheet Form and be accompanied by a Bid Bond (company check, cashier's check, money order, or surety bond) in the amount specified on the Bid Sheet. The per ton bid amounts must be plainly written or typed and the Bidder's signature is required. Other information to be completed on the Bid Sheet form includes the Bidder's name and title, date, company name, address, phone number, and FEID number. The District reserves the right to reject any bid that is not complete or contains invalid information.
- F. One copy of each bid must be submitted in a sealed opaque envelope. A bid consists of the completed Bidder Acknowledgment form (Page 13) and the Bid Sheet form (Page 14). The face of the envelope shall state in capital letters:

"SEALED BID ON BID NUMBER 16B-011 TO BE OPENED JULY 6, 2016, AT 1:00 P.M. EDT AT THE HEADQUARTERS OF THE NORTHWEST FLORIDA WATER MANAGEMENT DISTRICT."

THE ENVELOPE SHALL ALSO INCLUDE THE RESPONDENT'S NAME AND RETURN ADDRESS. ENVELOPES NOT PROPERLY MARKED WILL NOT BE CONSIDERED.

- G. The selected bidder must sign the Econfina Creek 2016 Sand Pine Timber Sale Agreement **within 15 days** after notification of bid acceptance by the District. The security deposit furnished by the Purchaser shall provide proper protection to the District. The security deposit shall be returned to Purchaser at the termination of the Agreement provided all of its terms have been complied with to the satisfaction of the District.

If a Surety Bond is used, such bond shall include a provision whereby the Surety Company waives notice of any alteration or extension of times made by the District. The bond will remain in force beyond the initial period of the Agreement in accordance with any extensions granted by the District for cause.

- H. Payments to the District for the timber will be made on a weekly basis for the number of tons represented on weight scale tickets and a daily logging ledger while the logging operation is in progress. **The successful bidder will be required to submit an advance payment of 40**

percent (40%) of their Estimated Sale Value with the signed Agreement. The Purchaser shall offset the advance payment against timber receipts due the District until such time as the advance payment is exhausted and at which time the Purchaser will make weekly payments for all remaining timber removed. - I. The length of the Econfina Creek 2016 Sand Pine Timber Sale Agreement shall be no more than 365 days (12 months) after the date of Agreement execution. Extensions may be considered by the District in the event of extended periods of continuous site saturation. Timber market price fluctuations, mill closures, mill quotas, mill limits, and any other timber marketing conditions or issues **are not conditions** that warrant or justify harvest schedule extensions.
- J. As the best interest of the District may require, the right is reserved to reject any and all bids and to waive any irregularity in bids received.
- K. All checks must be made payable to the Northwest Florida Water Management District.
- L. The draft Agreement that will be used for this pine timber harvesting project is attached for your information and review. Bidders should carefully examine both the draft Agreement and the sale unit locations before placing a bid. If this “Invitation to Bid” contradicts the sale Agreement, the Agreement governs.

2. Stumps shall be cut as close to the ground as possible and shall not be higher than six inches (6") above the ground except where otherwise authorized by the Project Manager.
3. Title to all designated trees left standing and all portions of trees felled but not utilized prior to the expiration of this Agreement, or any extensions thereof, shall remain with the DISTRICT.
4. All other timber in the Agreement area not designated in accordance with Article 5 is excluded from this sale. All dead stump wood and lightwood in the Agreement area is also excluded from this sale.
5. The designated timber shall be cut and utilized with the following minimum dimensions: **Sand pine pulpwood shall be all trees with a D.B.H. of 4.6" and greater containing at least 16' of merchantable length to a 2.5" top diameter. All sand pine trees not meeting or exceeding this minimum specification are to be cut whether hauled out or not.**
6. No tops, limbs or butts shall be left within three feet (3') of living trees. All "lodged" trees shall be freed and removed the same day such "lodging" occurs.
7. Due care shall be exercised against starting and spreading fires during the cutting operations by PURCHASER and/or its employees and subcontractors. The PURCHASER shall be held liable for all damages caused by such fires.
8. All utility lines, ditches and fences located within or immediately outside the exterior boundaries of the sale area shall be protected from damage by logging operations; and

if damaged, shall be repaired immediately by and at the expense of the PURCHASER. The Project Manager may require the PURCHASER to move fences from one location to another without compensation, if in the Project Manager's judgment that fence movement is necessary to avoid risk or damage from logging operations.

9. The Project Manager shall approve or designate the location of all loading ramps. Loading of log trucks is not permitted on paved or graded roads. The DISTRICT reserves the right to designate location of skid trails. All skid roads shall be located to avoid damage to residual trees, reproduction, soil, wetlands, streams and lakes, and shall be prohibited from sensitive areas. The Project Manager will inspect the sale unit to identify and determine any sensitive areas that may be excluded as a skid trail.
10. Skidding trees down roads, trails (especially designated recreational trails that traverse stand areas), and fire lines is prohibited. These areas will also be kept free of logs, tops, brush, and debris resulting from the PURCHASER's operations hereunder, and any road, trail, designated recreational trail, or firebreak used by the PURCHASER in connection with this sale that is damaged beyond ordinary wear and tear by the PURCHASER and/or the PURCHASER's employees' use, shall be repaired promptly by the PURCHASER at the PURCHASER's expense to original conditions. The DISTRICT retains the right to close down timber sale operations in inclement weather if logging damage to roads or to the sale area is deemed by the Project Manager to be too severe.

The PURCHASER shall also protect from damage all painted boundary trees.

11. When the PURCHASER deems it necessary to mark any trees in this sale for product designation or any other purpose, it will not use the same color of flagging and/or paint as that used by the DISTRICT.
12. Standing timber not included in the designated timber sale unit locations under the terms of this Agreement will not be used in any manner to facilitate the PURCHASER's logging operations.
13. The decision of the DISTRICT shall be final in the interpretation of the regulations and provisions governing the sale, cutting and removal of timber covered by this Agreement.
14. The PURCHASER shall be responsible for seeing that the logging area, particularly around the loading ramps, shall be free from any litter, such as oil cans, drums, paper, and other refuse. If such refuse is not disposed of during the process of the logging operation, it will be the responsibility of the PURCHASER to see that the area is cleaned up upon completion of logging activities.
15. The PURCHASER shall notify the Manager at least two (2) working days prior to completion of harvesting operations so a compliance inspection can be conducted.

16. All operations on the sale area may be suspended by the Project Manager after written notice has been served on the PURCHASER if the conditions and requirements contained in this Agreement are disregarded. Failure to comply with any of the conditions and requirements of this Agreement shall be sufficient cause for termination of this Agreement and the cancellation of all agreements for other uses of DISTRICT-owned lands.
17. The PURCHASER agrees to have a representative to provide routine onsite supervision of the harvesting operation that has completed the Florida Master Logger training program or has a comparable certificate of training that complies with the training recommended by the American Forest and Paper Association's Sustainable Forestry Initiative. This person will maintain such training certification as long as this Agreement is in effect. Additionally this representative will schedule weekly on site cutting inspection visits to the harvesting operation in conjunction with the Project Manager to assure compliance with Florida's Silviculture Best Management Practices.
18. The PURCHASER must adhere to and implement all federal, state, and local environmental laws and regulations as well as any applicable best management practices for silvicultural operations as outlined in the latest version of the Florida Silviculture Best Management Practices Manual. The PURCHASER is responsible for securing any forestry authorizations that may be required under Chapter 40A-44, Florida Administrative Code, and/or any other local, state, or federal permit or authorization that may be required to conduct the harvest and timber removal operations.
19. The PURCHASER shall accept roads in their present condition and accept responsibility and expenses for any improvements in roads necessary to cut, haul, and remove the timber. During the timber harvesting operations the PURCHASER shall maintain all roads in a usable condition, suitable for the vehicular traffic to which the road is normally subjected. The PURCHASER is solely responsible for maintaining the sale roads and making them serviceable prior to logging, as approved by the DISTRICT. Rutted roads will be back bladed by the PURCHASER upon completion of harvest and when requested by the Project Manager during the harvest. The DISTRICT retains the right to close down the timber harvest operations in inclement weather if damage to roads is deemed by the Project Manager to be too severe.
20. The PURCHASER shall pay triple stumpage to the DISTRICT for any un-marked longleaf trees harvested or damaged by the Purchaser. Damage to or destruction of young longleaf pine regeneration, especially to young longleaf pine regeneration located adjacent to pine timber sale boundaries, will result in forfeiture of the security deposit or Surety Bond. Inadvertent damage to longleaf trees may be waived at the discretion of the Project Manager.
21. The PURCHASER shall be responsible for ensuring that no piles of logging debris (tops, limbs, stumps, butts, etc.) are left in any of the logging areas or loading ramps. Logging debris may be removed or may be scattered throughout the sale areas, but shall

not: be left in piles or large concentrations in any particular area; be left along the edges of stands; blocking roadways; blocking designated recreational trails; or piled close to remaining trees. Skidders or other equipment are not allowed to clear logging debris near de-limbers and loading ramps by plowing into the soil with blades.

22. Maintenance of equipment may be conducted on-site only if used oil, hydraulic oil and all other disposable products are captured and properly contained, removed from the site, and properly disposed of. All product containers are to be removed from the logging site, especially tubes from grease guns and oil/hydraulic fluid containers. Small oil leaks must be fixed. Petroleum-based fluid spills 5 (five) gallons or greater in a concentrated spot shall be reported to the DISTRICT and cleaned up properly. Spills that are 25 gallons or greater must be reported to the Florida Department of Environmental Protection (“DEP”) with a field inspection made by DEP, and the PURCHASER must handle such spills according to DEP instructions. Petroleum-based fluid spills smaller than 5 (five) gallons that occur from logging equipment must also be reported to the DISTRICT, treated with appropriate absorbent and/or other neutralizing agent, and followed by removal and proper disposal of affected soils. Spills must not be buried with soil and/or sand and left untreated. Equipment that constantly leaks fluid and/or causes other problems on site shall be shut down by a DISTRICT representative and the contractor may be required to remove the problem equipment from the site.
23. To minimize the possibility of transporting and spreading exotic plant species, harvesting equipment and skidders must be cleaned of all dirt and plant material prior to moving onto DISTRICT land, prior to moving to a new harvest area, and again prior to departing the harvest area.
24. Gates/cables must be closed and locked at the end of each work day. A \$50 penalty shall be paid by the PURCHASER for each occurrence of gates/cables left unlocked or open, or for unauthorized change of locks or access.
25. Hauling entry and exit points onto public roads will be specified by the Project Manager for each stand. The PURCHASER/Logger is required to provide a minimum of two (2) signs stating: “Trucks Entering and Leaving Highway” (or similar acceptable language), and place the signs in appropriate locations.
26. Gopher tortoises are a protected species and may be present within the harvest stand areas and in other areas throughout the property. Logging crews must prevent impacts to tortoises and their burrows by avoiding burrow aprons and tunnels and watching out for individual tortoises during all harvest operations. Gopher tortoises shall not be injured, captured, moved or removed from DISTRICT timber harvest areas.

C. HARVEST SCHEDULE

1. The PURCHASER must complete the harvest operations within 365 days of Agreement execution.

ARTICLE 6

Subcontracts

The PURCHASER shall not subcontract, assign, or transfer any work under this Agreement without the written consent of the DISTRICT. Any subcontractors that may be employed by the PURCHASER and approved by the DISTRICT to perform timber harvesting operations must also adhere to all provisions of this Agreement.

ARTICLE 7

Other Rights and Responsibilities

- A. The right of ingress, egress and regress is hereby granted to the PURCHASER for the duration of this Agreement. The DISTRICT reserves the right to regulate or prohibit ingress and egress and designate or approve the location of any new roads across and upon unit locations designated by the DISTRICT.
- B. The PURCHASER, in exercising the rights herein granted, shall not in any way interfere with the use by the DISTRICT of said land or with the use by other lessees, licensees, contractors or agents of the DISTRICT of any portion of said land under rights heretofore or hereafter granted to them by the DISTRICT. This Agreement is subject to any such rights and to such easements as may exist over, upon or across the lands described herein.

ARTICLE 8

Termination of Agreement

- A. The DISTRICT or its designated representatives will decide all questions, difficulties and disputes of whatever nature which may arise under or by reason of this Agreement. The DISTRICT'S decision upon all claims, questions, and disputes shall be final, conclusive and binding upon the parties hereto. This section does not preclude any party from seeking relief by filing a petition for administrative hearing pursuant to Chapter 120, Florida Statutes.
- B. If the PURCHASER shall fail to fulfill its obligations in a timely and proper manner its obligations under this Agreement, or if the PURCHASER shall violate any of the covenants, agreements, or stipulations of this Agreement, the DISTRICT shall have the right to terminate this Agreement. This right to terminate will be exercised by giving written notice to the PURCHASER of such termination and specifying the effective date thereof. The PURCHASER shall not be relieved of liability to the DISTRICT for damages sustained by the DISTRICT because of any breach of the contract, and the DISTRICT may deduct the amount of damages due to such breach from the Surety Bond or security deposit, as the case may be, without prejudice to any other rights the DISTRICT may have as a result of such breach, including but not limited to the right to consequential or incidental damages.

ARTICLE 9

Indemnification

The PURCHASER agrees to assume full responsibility and be liable for all damages to persons or property incurred in or resulting from the harvesting of timber; except to the extent such damages are due to the negligence or willful misconduct of the DISTRICT, or the DISTRICT'S representatives; and the PURCHASER agrees further, by acceptance of the award of this Agreement, to release, acquit, indemnify, save and hold harmless the DISTRICT, its officers, agents, and representatives from any and all claims, loss, damage, injury and liability, whether for personal injury or otherwise, resulting from, arising out of, or in any way connected with the work to be performed under this Agreement, except to the extent of any claim arising from the negligence or willful misconduct of the DISTRICT.

ARTICLE 10

Payments

- A. The PURCHASER agrees to harvest and remove all timber included in this Agreement in strict accordance with all conditions and requirements contained herein.
- B. The PURCHASER agrees to pay the DISTRICT \$ _____ per ton for all pine pulpwood, as described in ARTICLE 2, B.

The PURCHASER has submitted an Advance Payment of \$ (<insert amount equal to 40% of estimated sale value>). The PURCHASER shall cut against the Advance Payment at the per ton rates set forth above until said Advance Payment is exhausted at which time the PURCHASER will make weekly payments for all timber removed.

It is specifically agreed between the parties hereto that if at the end of the agreement, or any extension thereof, if the total amount of \$(<insert amount equal to 40% of estimated sale value>) worth of timber has not been harvested and removed from the sale area, the difference between the value of the timber cut and removed, based upon scale tickets delivered to the DISTRICT, and the Advance Payment shall be refunded to the PURCHASER by the DISTRICT.

The PURCHASER will submit weight scale tickets, a daily logging diary (see Exhibit A attached), and payment to the DISTRICT on a weekly basis, while the logging operation is in progress. Payment will be based on the total net weight for all scale tickets for all timber removed within a calendar week. A dated weight scale ticket from a state certified scale, which includes, gross, tare, and net weights must be presented for each load removed from the site and appearing on the logging diary. The logging diary will be inspected and verified by the DISTRICT staff throughout the logging operation. Weekly payments, scale tickets, and diaries are due to the DISTRICT no later than Wednesday of the following week. No deductions will be allowed on scale tickets without approval in advance from the DISTRICT.

The PURCHASER will be provided with an adequate amount of three-part (District Copy/Driver Copy/Load Copy) NFWWMD Haul Tickets and weekly harvesting production ledgers for the sale by the Manager. Each load removed will have a NFWWMD Logging Haul Ticket assigned to that load. The District Copy will be handled as directed by the Project Manager. Each Driver Copy will be returned to the DISTRICT along with the corresponding market weight scale ticket for all loads removed during each week and with a check for the appropriate wood settlement payment within ten (10) days of the week of harvest. In addition, each wood settlement will have a copy of that harvesting operation's weekly production ledger attached. Each Load Copy will be attached to a log on the outer part of the load directly behind the driver.

In addition, upon Agreement execution, the PURCHASER shall furnish a company check, cashier's check, money order, or surety bond (the "security deposit" or "Surety Bond" as the case may be) to serve as a security deposit, in the amount of 10 percent (10%) of Estimated Sale Value, totaling \$ <insert amount here>, the receipt of which is hereby acknowledged.

If a security deposit is provided by the PURCHASER, the security deposit shall be returned to the PURCHASER at the termination of this Agreement provided all of its terms have been complied with to the satisfaction of the DISTRICT. This security deposit, furnished by PURCHASER, shall provide protection to the DISTRICT.

If a Surety Bond is provided by the PURCHASER, it shall include a provision whereby the surety company waives notice of any alteration to this Agreement or extension of time made by the DISTRICT. The bond will remain in force beyond the initial period of the Agreement in accordance with any extension granted by the DISTRICT.

- C. All monies deposited under this Agreement shall, upon failure of the PURCHASER to fulfill all conditions and requirements herein set forth or made a part hereof, be retained by the DISTRICT to be applied to the satisfaction of the PURCHASER'S obligation hereunder.
- D. Title to all timber included in this Agreement shall remain with the DISTRICT until it has been paid for.
- E. The DISTRICT may cancel this Agreement for refusal by the PURCHASER to allow public access to all documents, papers, letters, or other materials subject to the provisions of Chapter 119, Florida Statutes.

ARTICLE 11

Penalties

- A. Undesignated live or dead trees which are cut or otherwise injured by the PURCHASER'S operations shall be paid for by the PURCHASER at triple stumpage, based on a stump cruise by the DISTRICT, provided such payment shall not release the PURCHASER from liability for any damage accruing to the DISTRICT, other than for value of said trees. Triple stumpage is based on the selling price for this timber sale, as determined by the DISTRICT. The Project Manager or his representative will be the sole authority in determining the extent of trees qualifying as injured by PURCHASER.
- B. The Project Manager may, at his/her discretion, waive accidental damage to small amounts of excluded timber.
- C. All telephone lines, ditches, fences, roads, trails, firelines, culverts, and other improvements shall be protected from damage by the PURCHASER'S activities. The determination of damage shall be made in the sole discretion of the DISTRICT, and the cost of any repair of such damage shall be deducted from the Surety Bond or security deposit held by the DISTRICT.

ARTICLE 12

Inspection and Value

The PURCHASER certifies that, in signing this Agreement, it has diligently inspected the sale unit locations and forest products which are subject to this Agreement and has informed and satisfied itself as to their quantity, quality, and specification as shown in the **Invitation to Bid** and value, all as to which the DISTRICT makes no representation.

ARTICLE 13

Environmental Laws and Regulations

The PURCHASER must adhere to and implement all federal, state, and local environmental laws and regulations as well as any applicable best management practices (BMP's) for silvicultural operations as outlined in the latest version of the Florida Silviculture Best Management Practices Manual. The PURCHASER is responsible for securing any forestry authorizations that may be required under Chapter 40A-44, Florida Administrative Code, and/or any other local, state, or federal permit or authorization that may be required to conduct the harvest and timber removal operations.

ARTICLE 14

Amendments

This Agreement and the documents referenced herein embody the entire agreement of the parties. This Agreement shall supersede all previous communications, representations or agreements, either oral or written, between the parties hereto. Amendments to this Agreement must be made in writing and executed by both parties.

ARTICLE 15

ARTICLE 17

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account, list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note. ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

Limited Liability Company (LLC). If the name on line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the "Limited Liability Company" box and enter "P" in the space provided. If the LLC has filed Form 8832 or 2553 to be taxed as a corporation, check the "Limited Liability Company" box and in the space provided enter "C" for C corporation or "S" for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the "Limited Liability Company" box; instead check the first box in line 3 "Individual/sole proprietor or single-member LLC."

Line 4, Exemptions

If you are exempt from backup withholding and/or FATCA reporting, enter in the appropriate space in line 4 any code(s) that may apply to you.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code* earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

- 1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.** You must give your correct TIN, but you do not have to sign the certification.
- 2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.
- 3. Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.
- 4. Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).
- 5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.
