APPLICATION FOR MERCHANT MARINER MEDICAL CERTIFICATE

------ Instructions ------

Remove Instructions before submitting Application

Who must submit this form?

Applicants seeking a Medical Certificate are required to complete this form and submit it to the U.S. Coast Guard. Applicants seeking a raise-in-grade are required to submit this form if a previous medical evaluation report has not been submitted within the last 3 years. Guidance for required submission of this form can be found at the National Maritime Center website (**http://www.uscg.mil/nmc/medical/default.asp**).

The Coast Guard requires a physical examination and certification be completed to ensure that mariners:

- Are of sound health.
- Have no physical limitations that would hinder or prevent performance of duties *(see below)*.
- Are free from any medical conditions that pose a risk of sudden incapacitation, which would affect operating, or working on vessels.

Section I: Applicant Information - To be completed by the Applicant and reviewed by the Medical Practitioner

- **Legal Name** - Enter complete legal name.
- **Date of Birth** - If applicant is under 18 years of age, notarized statement from legal guardian is required. Attach a notarized statement, signed by a parent or guardian, authorizing the Coast Guard to issue a Medical Certificate.
- **Reference Number** - If you have been credentialed by the Coast Guard in the past, enter your reference number.
- **Gender** - Enter your legal gender.
- **Home Address** - Principle place of residence. PO Box is not acceptable.
- **Delivery/Mailing Address** - The address to which you want all correspondence and issued certificates sent. If blank, correspondence and credentials will be sent to the Home Address.
- **Primary Phone Number** - Provide a primary phone number.
- **Alternate Phone Number** - Provide an alternate phone number *(optional)*.
- **E-mail Address** - The National Maritime Center *(NMC)* may attempt to contact you via e-mail. You will receive automated updates regarding the status of your application *(optional)*.
- **Other** - Please provide additional means of communicating with you *(satellite phone, work phone, etc.) (optional)*.
- **Application Type** - Self-explanatory.

Section II (a)(b): Medical Conditions - To be completed by the Applicant and reviewed by the Medical Practitioner

Conditions 1 - 34 - **Applicants** must report their relevant medical conditions to the best of their knowledge, and the **Medical Practitioner** must verify the medical conditions. Check "YES" if the applicant has had a previous diagnosis or treatment of the condition by a health care provider, or if the applicant is currently under treatment or observation for the condition, or if the condition is present regardless of treatment. If the **Medical Practitioner**, or any other health care provider to the satisfaction of the medical practitioner, discovers a condition not reported by the applicant, he/she must check "YES" in the appropriate block and explain in the comments.

Comments - The **Medical Practitioner** must address all reported conditions in this section. This detailed explanation should include, at a minimum, identification of the condition, approximate date of diagnosis, any limitations, whether the condition is controlled, the prognosis, the treatment, and any additional information as appropriate, referring to the evaluation data listed at the National Maritime Center (NMC) website **http://www.uscg.mil/nmc/medical/default.asp**. Additional sheets may be added by the applicant and/or the medical practitioner if needed to complete this section of the form. Include applicant's name and DOB on each additional sheet. Supporting medical documentation and testing for all identified conditions potentially requiring further review should be submitted with each application as per the guidelines found on the NMC website **http://www.uscg.mil/nmc/medical/default.asp**. Detailed guidelines on medical conditions subject to further review can be found on the NMC website. Medical practitioners should be familiar with the guidelines contained within this document. Medical and Physical Evaluation Guidelines for Merchant Mariner Credentials can be downloaded from the NMC website or by calling the NMC at 1-888-IASKNMC (1-888-427-5662).

Section III: Medications - To be completed by the Applicant and reviewed by the Medical Practitioner

Review by the Medical Practitioner - Verification of medications includes questioning the applicant about any medications or other substances reported, reviewing relevant medical conditions to determine if the applicant has omitted any medications or other substances, and affirmatively reporting any omitted current medications or other substances where required.

Section IV: (Vision) and V: (Hearing) - To be completed by the Medical Practitioner or other staff to the satisfaction of the Medical Practitioner

The **Medical Practitioner** is not required to perform or witness every examination, test, or demonstration. These may be referred to other qualified practitioners such as audiologists or optometrists; however, they must be reviewed to the satisfaction of the Medical Practitioner.

All examinations, tests and demonstrations must be performed, witnessed, or reviewed by a physician *(Medical Doctor [MD], or Doctor of Osteopathy [DO])*, or nurse practitioner, or a certified physician assistant licensed by a state in the U.S., a U.S. possession, or a U.S. territory. The **Medical Practitioner** who performs the examination must review Sections II and III of this form.

Section VI: Physical Examination - Items 1-17; To be completed by the Medical Practitioner

Self-explanatory

Section VII: Demonstration of Physical Ability - To be completed by the Medical Practitioner

LISTS OF TASKS CONSIDERED NECESSARY FOR PERFORMING ORDINARY AND EMERGENCY RESPONSE SHIPBOARD FUNCTIONS

Shipboard Tasks, Function, Event, or Condition	***Related Physical Ability***	***Acceptable Demonstration***
Routine movement on slippery, uneven, and unstable surfaces	Maintain balance *(equilibrium)*	Has no disturbance in sense of balance
Routine access between levels	Climb up and down vertical ladders and stairways	Is able, without assistance, to climb up and down vertical ladders and stairways
Routine movement between spaces and compartments	Step over high doorsills and coamings, and move through restricted accesses	Is able, without assistance, to step over a doorsill or coaming of 24 inches (600 millimeters) in height. Able to move through a restricted opening of 24 x 24 inches
Open and close watertight doors, hand cranking systems, open/close valve	Manipulate mechanical devices using manual and digital dexterity, and strength	Is able, without assistance, to open and close watertight doors that may weigh up to 55 pounds (25 kilograms); should be able to move hands/arms to open and close valve wheels in vertical and horizontal directions; rotate wrists to turn handles; able to reach above shoulder height

Abandon ship	Use survival equipment	Has the agility, strength, and range of motion to put on a personal flotation device and exposure suit without assistance from another individual

Section VIII: Food Handler Certification - To be completed by the Medical Practitioner

The Medical Practitioner shall complete Section VIII for all applicants requiring Food Handler Certification. The Medical Practitioner need not perform any additional laboratory testing unless it is deemed clinically necessary. Applicants and currently employed food workers should report information about their health as it relates to diseases that are transmissible through food. The following issues should be considered by the Medical Practitioner when certifying an applicant:

a. The applicant reports they have been diagnosed with an illness due to organisms such as Salmonella Typhi, Shigella spp., Shiga-toxin-producing Escherichia coli, Hepatitis A virus, etc.

b. The applicant reports they have at least one symptom caused by illness, infection, or other source that is associated with an acute gastrointestinal illness such as diarrhea, fever, vomiting, jaundice, or sore throat with fever.

c. The applicant reports they have a lesion containing pus, such as a boil or infected wound, which is open or draining and is on hands or wrists or on exposed portions of the arms.

d. The applicant reports they have had Salmonella Typhi within the past three months, Shigella spp. within the past month, Shiga-toxin-producing Escherichia coli within the past month, or Hepatitis A virus ever.

e. The applicant reports they are suspected of causing or being exposed to a confirmed disease outbreak caused by organisms such as Salmonella Typhi, Shigella spp., Shiga-toxin-producing Escherichia coli, Hepatitis A virus, etc. This would include outbreaks associated with events such as a family meal, church supper, or festival because the employee ate food implicated in the outbreak, or ate food at the event prepared by a person who is infected or who is suspected of being a shedder of the infectious agent.

f. The applicant reports they live in the same household as, and have knowledge about, a person who is diagnosed with organisms such as Salmonella Typhi, Shigella spp., Shiga-toxin-producing Escherichia coli, Hepatitis A virus, etc.

g. The applicant reports they live in the same household as, and have knowledge about, a person who attends or works in a setting where there is a confirmed disease outbreak caused by organisms such as Salmonella Typhi, Shigella spp., Shiga-toxin-producing Escherichia coli, Hepatitis A virus, etc.

Section IX: Summary - To be completed by the Medical Practitioner

Proof of Identity

a. **Applicants** shall present acceptable proof of identity to the Medical Practitioner conducting examinations.

b. Proof of identity shall consist of one current form of valid government issued photo identification.

c. The following credentials are examples of acceptable proof of identity: Unexpired official identification issued by a Federal, State, or local government or by a territory or possession of the United States, such as a passport, U.S. driver's license, U.S. military ID card, Merchant Mariner's Document/Merchant Mariner Credential, or Transportation Worker Identification Credential.

Overall fitness recommendation: The **Medical Practitione**r must ensure a complete history and physical are conducted and make recommendations as to the fitness of the applicant. Final approval of the mariner's status rests with the U.S. Coast Guard.

Medical Practitioner: Certification that the general medical examination, vision and hearing tests, as well as the physical demonstration of competence as appropriate, have been performed to the satisfaction of the **Medical Practitioner**. The **Medical Practitioner** must sign and date the certification where indicated. This signature attests, subject to criminal prosecution under 18 USC § 1001, that all information reported by the medical practitioner is true and correct to the best of his/her knowledge and that the medical practitioner has not knowingly omitted or falsified any material information relevant to this form.

Additional Medical Comments

Item	Additional Information *(Please Print)*

Section VII: Demonstration of Physical Ability - To be completed by the Medical Practitioner

1. The Medical Practitioner shall require that the applicant demonstrate the ability to meet the guidelines contained within Section VII of the CG-719K instructions. This does not mean, for example, that the applicant must actually don an exposure suit, pull an unchanged 1.5 inch diameter 50' fire hose with nozzle to full extension, or lift a charged 1.5 inch diameter fire hose to firefighting position. Rather, the Medical Practitioner may utilize alternative measures to satisfy himself or herself that the applicant possesses the ability to meet the guidelines in the third column. A description of the methods utilized by the medical practitioner should be reported in the **Comments** section provided below.
2. All practical demonstrations should be performed by the applicant without assistance. Any prosthesis normally worn by the applicant, and any other aid devices, may be used by the applicant in all practical demonstrations except when the use of such items would prevent the proper wearing of mandated personal protection equipment (PPE).
3. If the Medical Practitioner is unable to conduct the practical demonstration, the applicant should be referred to a competent evaluator of physical ability. The Coast Guard recognizes that all medical practitioners may not have the equipment necessary to test all of the tasks as listed. Equivalent alternate testing methodologies may be used. For further information, check the Medical and Physical Evaluation Guidelines for Merchant Mariner Credentials (http://www.uscg.mil/nmc/medical/default.asp).
4. If the applicant is unable to perform any of the following functions, the Medical Practitioner should provide information on the degree or the severity of the applicant's inability to meet the standards. The results of any practical demonstration or attendant physical evaluation should be recorded in the **Comments** section provided below.

Physical Ability Results

☐ Applicant has the physical strength, agility, and flexibility to perform all of the items listed in the instruction table.

☐ Applicant does **NOT** have the physical strength, agility, and flexibility to perform all of the items listed in the instruction table.
